⚠ SAFETY AND CARE ADVICE ⚠

PLEASE READ THESE INSTRUCTIONS CAREFULLY AND KEEP FOR FUTURE REFERENCE

- **Warning:** Please lift with care.
- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.

- Assemble on a soft level surface to avoid damaging the unit or your floor (use opened out unit carton).

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- **Safety note:** If there is any chance of this unit being pulled over by children etc. it is recommended that the unit is secured to a wall using suitable fixings
- Dispose of all packaging carefully and responsibly.

CARE AND MAINTENANCE

- Only clean using a damp cloth and mild detergent, do not use bleach.
- From time to time check that there are no loose screws on this unit.

- This product should not be discarded with household waste. Take to your local authority waste disposal center.

Note *If required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.*
