

POLYTEC™ SERIES SIDE ENTRY CONTAINER

NEW
25-GAL
CAPACITY

Create a better experience for customers and waste management personnel with the new ergonomically designed PolyTec™ Series Side Entry Receptacles. The durable 25-gallon waste, recycling and compost containers include a locking hinged door for quick and easy emptying. Elevate the customer experience with the convenient, double-sided flipper lid that prevents overflow, reduces odors and deters pests. Improve cleanliness and reduce confusion with optional tray return and stream decals making waste management hassle-free.
