THE BOLD LOOK
OF **KOHLER**

Codes/Standards

ADA, OBC, CSA B651 compliant when installed to the specific requirements of these regulations.

Accessibility standards may require controls to be located on the open side of the toilet.

Plumbing codes may require elongated toilets and elongated, open-front seats in public bathrooms.

This product should be used with a WaterSense labeled counterpart with the same rated flush volume to ensure the complete system meets the requirements of this specification for water efficiency and performance.
