Please note: our furniture are made of natural pieces of pine, each unit will be constructed similar that showed model, however won't look identical due to timber natural features.

Craftsmanship: our highly skilled craftsmen have excellent attention to details and creativity.

Each order is treated individually and made to order.

Each shelf is planned, sanded and painted by us. Hand made product allow us to retain wood original character.

Finish: we are taking special care and attention to finish. Therefore we offer wax, oil and lacquer finish coatings, carefully hand painted using brush, to make sure is applied evenly and accurately.

If you would like to order made to measure length or depth please, send us details.

What's included: we supply all fixings included in shelf price, however please make sure that this kind of fixings are correct for your wall type.

With an invisible mounting system, the unit can be easily mounted to the wall.

NOT suitable for stud walls.

Please note: timber is a natural, organic material and it may exhibit knots and wavy grain pattern. Due to the nature of the item, please allow a tolerance of +/- 6mm

Natural charm of timber is a stunning detail to every kind of interior. Brings harmony and peace to everyday life.
