

ASSEMBLY MANUEL

Please Read Our Introduction

ES

Cliente valioso,
Diseñamos y fabricamos
cuidadosamente nuestros productos
para nuestros clientes. Deseamos que
nuestros clientes se diviertan mientras
hacen sus nuevos muebles

El producto que acaba de adquirir ha
sido sometido a todo tipo de pruebas
y controles antes de ser enviado a
usted.

Esperamos que disfrute con sus
nuevos muebles!!!

EN

Valued Customer,
We design and carefully
manufacture our products for our
customers. We wish that our
customers to have fun while they
are doing their new furniture

The product you just purchased
was subjected to all sorts of tests
and controls before sending out to
you.

Hope you enjoy your new
furniture!!!

EN

Although all products are carefully
manufactured and packed,
sometimes we
experience damage during
transportation.

In such cases, please check the
damaged part,
note the part number written on
the part and
do not hesitate to contact us

ES

Aunque todos los productos se fabrican y
embalan cuidadosamente, a veces se
producen daños durante el transporte.

En estos casos, por favor, compruebe la
pieza dañada, anote el número de pieza
escrito en la misma y no dude en
ponerse en contacto con nosotros.

EN

Furniture parts are going to several
manufacturing procedures. During this
process, parts can have little dust or
marks. Please clean the parts with
damp cloth before assembly to get
the best result. Usual cleaning would
be suffice.

ES

Las piezas de los muebles se someten a
varios procedimientos de fabricación.
Durante este proceso, las piezas pueden
tener poco polvo o marcas.
Por favor, limpie las piezas con un paño
antes del montaje para obtener el mejor
resultado.
La limpieza habitual sería suficiente.

EN

Before starting, please check all
components
and accessories according to the
provided list.
If you purchased more than one
product, to prevent confusion, be sure
that you completed the first product,
then start the next one.
Please make sure that you select correct
numbered part and use specific
connector to assemble.
We do not recommend any
modification or rotation in assembly.
Please follow the manual carefully.

ES

Antes de comenzar, por favor,
compruebe todos los componentes y
accesorios de acuerdo con la lista
proporcionada. Si ha comprado más
de un producto, para evitar
confusiones, asegúrese de que ha
completado el primer producto y
luego empiece con el siguiente. Por
favor, asegúrese de seleccionar la
pieza numerada correcta y de utilizar
el conector específico para el montaje.
No recomendamos ninguna
modificación o rotación en el montaje.
Por favor, siga el manual
cuidadosamente.

EN

Do not use your furniture for out of
purposes.
If you would like to use it out of purpose
or
would like to do some modification or
rotation, please contact us for more
details.

Please do not expose your furniture with
excessive heat, cold and humidity
because product can be
affected negatively.

ES

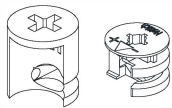

No utilice sus muebles para fines
distintos.

Si desea utilizarlo fuera de propósito o le
gustaría hacer alguna modificación o
rotación, por favor póngase en contacto
con nosotros para más detalles.

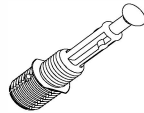

Por favor, no exponga sus muebles al
calor, frío
y humedad excesivos porque el
producto puede verse afectado
negativamente.

How to instal Components

**MINIFIX
HEAD**

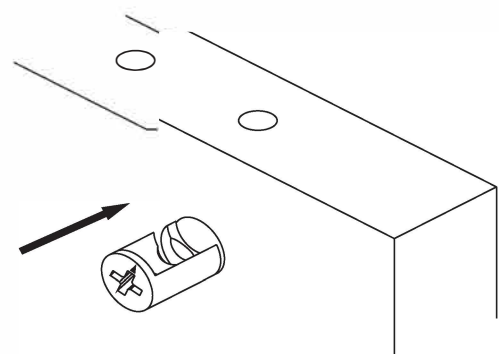

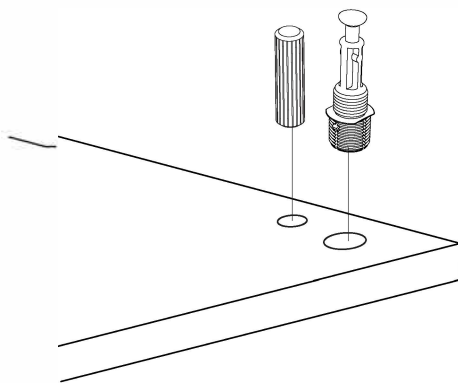

**MINIFIX
SCREW**

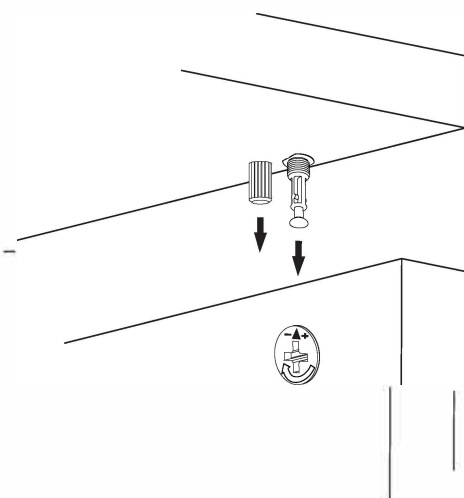

DOWEL

If the dowel is not required during the installation phase, it is not included in the package.

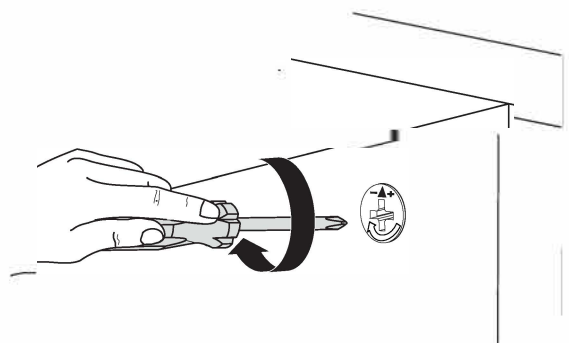

*Please notice that there is an small arrow on A03 (minifix head). This arrow should show the direction of upper hole.

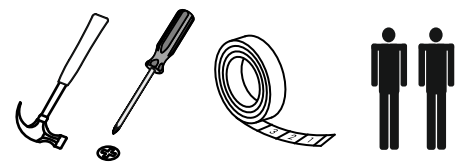

*After attaching two pieces please turn the A03 (minifix head) clockwise direction with the help of a screwdriver.

*Please do not over screw the minifix head since it may be broken if too much power is imposed. Just make sure that it is screwed to the direction "+" do not go any further.

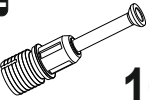

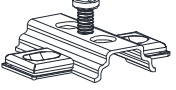

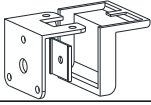

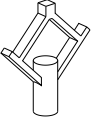

Minifix is the main connection material used in products. Before starting assembly, please check the drawings below... Please use the wall mounting system for the TV The floating TV unit only carries 35lbs.

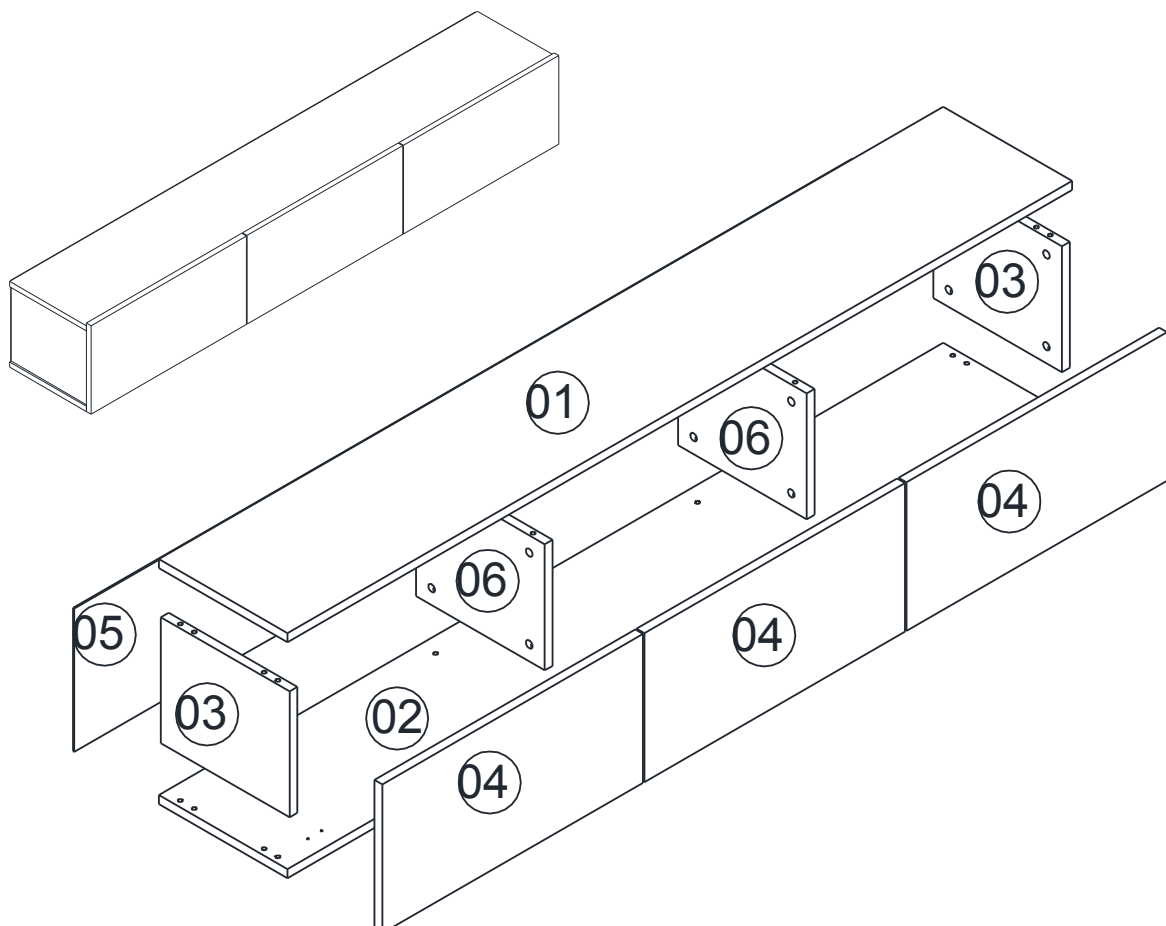

The necessary tools (not included)

PART-2

**WARNING!**

These four holes serve as reference marks. No screwing operation will be performed. Only perform the mounting process to the wall with the D41-coded screw into the large hole in the center of these four holes. Secure the top two holes to the particleboard with A10-coded screws, as shown in the diagram on the side.
