Steady

Waterproof Fabric

The mat is waterproof and dries out easily when wet and is easy to clean

Breathable

Good Waterproof

High-Density Foam

It is a slow rebound that can disperse the pressure on the human body

Comfortable

Good Resilience

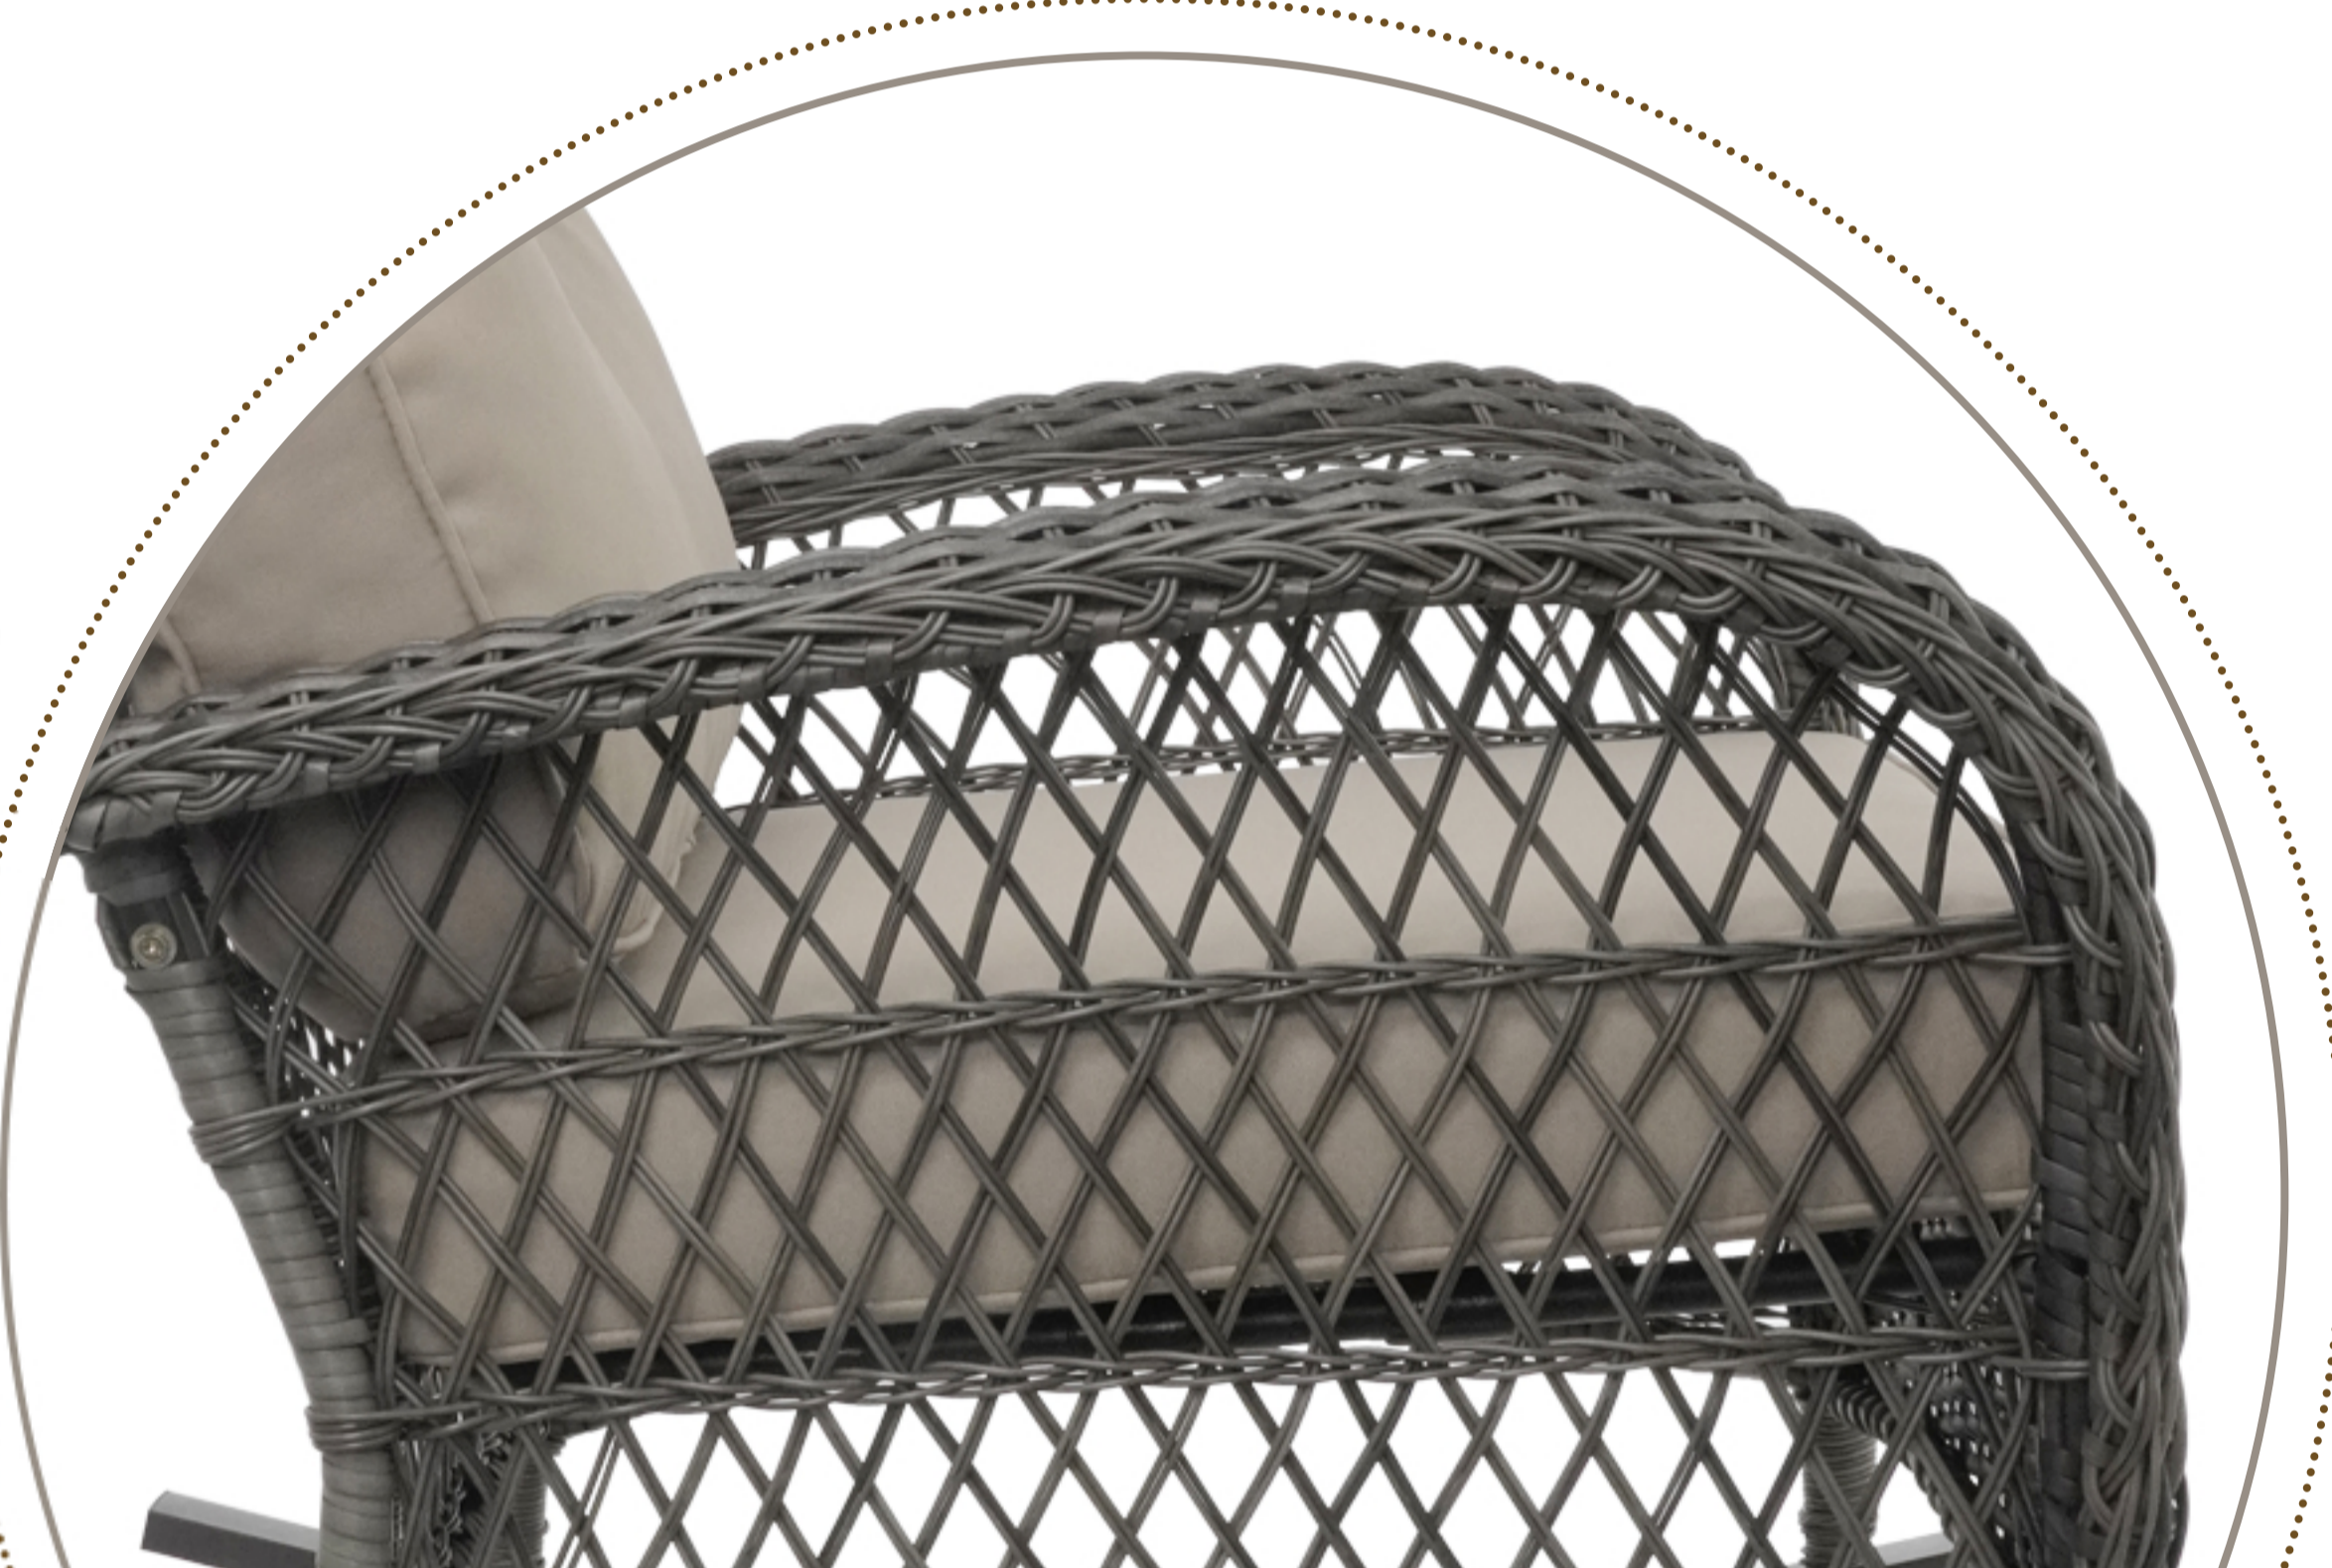

Rocking Forth and Back

You can swing back and forth on a sturdy metal frame, and the aesthetically pleasing rocking chair provides maximum comfort for outdoor relaxation, which can be used both indoors and outdoors, and is ergonomically designed and a must-have for your home.

Widened Armrest

Beautifully crafted arms ease the pressure from your upper body as you hold your beverage or rest in a natural position.

Memory Sponge

It has stress-sensitive and temperature-sensitive memory functions and can react according to your body type, weight and body temperature. A well-constructed memory sponge can reduce gravity pressure on the neck, spine, and police by 87%.

Ergonomic Armrest

In line with the design of the human body curve, the armrest has a slow tilt angle relative to the seat surface, the back of the chair fits the curve of the human back, people can naturally relax down, get a good rest, even if sitting for a long time is still comfortable.

Zipper Design

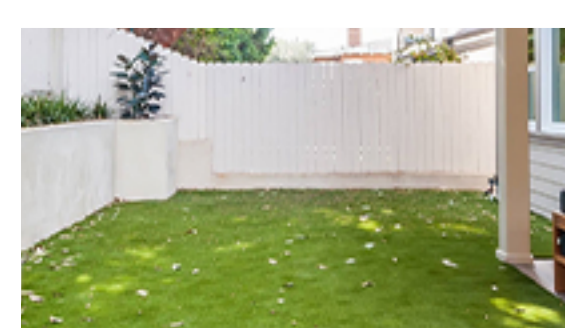

Washable padding is easy to clean and replace
