

MG1100 SERIES V-BACK CASTER CHAIR

MADE BY  MARCO™

DESCRIPTION

The rolling caster chair features the MG1100 series V-back seat design with the spinal relief back and the waterfall seat edge along with (4) 2-inch casters for easier mobility. The one-piece polypropylene shell is attached to an 18-gauge, unswaged leg (non-tapered), steel frame with concealed rivets and steel brackets. Available in black, navy, blue or burgundy seat colors only with chrome legs.

FEATURES

- Available in 18" height only
- Brackets are welded to underside of frame for added strength
- Legs are constructed of 18-gauge, 1-1/8" tubular steel and are chromed
- Chrome plated frame chairs provide better corrosion resistance and a longer lasting, attractive finish.
- (4) 2" swivel hooded casters provide easy mobility on hard or soft surfaced floors
- Meets ANSI/BIFMA X6.1-2012 test specifications.
