# Care and use Instructions:

## IMPORTANT!

- Please read these instructions fully before starting assembly and retain for future reference.
- Assembly to be carried out by competent adults only. During assembly, children should be kept away from the product due to possible risk of injury, small parts and sharp fittings.
- Do not use this product if any components are missing or damaged. In the unlikely event that parts supplied are damaged or missing, please contact the Argos Customer care line on 0345 640 3030. Your statutory rights are not affected.

## IMPORTANT!

- Please carefully follow the assembly instructions to ensure the product is assembled correctly and safely first time as the product is not designed to be disassembled. Do not skip any step.
- So it's nice and sturdy, always place on a firm level surface and ensure the base remains in contact with the ground during use.
- To clean, wipe with a damp cloth and a mild detergent. To keep it looking good avoid using stiff brushes or abrasive cleaners which could damage the surface.
- This product is intended for use as a storage box and occasional outdoor seating for domestic use only. It is suitable for seating up to 3 adults (upto 83kg each). It is not designed to be stood on, used for carrying items, or moved whilst in use. **IMPORTANT!** - Do not exceed the maximum external and/or internal loads as advised.

Maximum External load: 250Kg (evenly distributed)

Maximum Internal load: 50Kg (evenly distributed)

- If you need to reposition your storage box, you must first empty the box of all its contents. Only move your storage box when empty.
- This product is unsuitable for the storage of hot items, flammable or corrosive substances.
- Do not allow children to stand on or play inside the box. It is recommended the box is kept locked with a suitable padlock (not supplied). Parental supervision of children is required at all times.

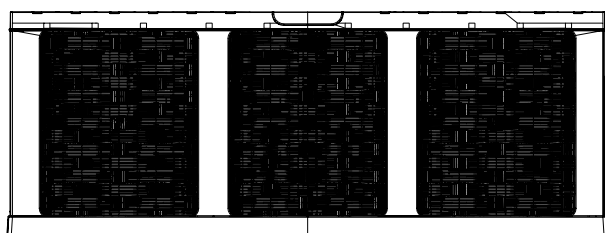

# In the box:

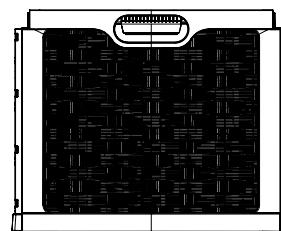

## IMPORTANT!

- Do not use this product if any components are missing or damaged. In the unlikely event that parts supplied are damaged or missing, please contact the Argos Customer care line on 0345 640 3030. Your statutory rights are not affected.

- This product is unsuitable for the storage of hot items, flammable or corrosive substances.

## IMPORTANT!

It is necessary to carry out periodic checks and maintenance (as required) of the assembled product at regular intervals to ensure it remains securely assembled. Failure to carry out these checks could result in product failure.

# Guarantee

Dear Customer,

In the unlikely event that your product develops a fault, please contact our Customer Care line on 0345 640 3030

1. These guarantee terms cover additional guarantee rights and do not affect your statutory warranty rights. Claims must be accompanied by Proof of Purchase. This must be in the form of a Sales receipt or Bank statement and must show that the product has been purchased within 2 years prior to the claim, from the retailer that it was originally sold to.
2. Our guarantee covers problems caused by material or manufacturing defects, and will result in the repair of these defects or replacement of the product with a like for like or similar article. Please note that our products have not been designed for use in commercial, trade or industrial applications. Consequently, the guarantee is invalidated if the equipment is used in commercial, trade or industrial applications or for other equivalent activities.
3. The following are also excluded from our guarantee:
  - A. Faults due to accidents, customer misuse or unauthorized repairs
  - B. Failure due to lack of routine maintenance.
  - C. Failure as a result of not assembling the product in accordance with the Assembly Instructions.
  - D. Failure as a result of not following the Care and use Instructions.
4. The guarantee is valid for a period of 2 years starting from the purchase date of the product. Guarantee claims should be submitted before the end of the guarantee period within two weeks of the defect being noticed. No guarantee claims will be accepted after the end of the guarantee period. The original guarantee period remains applicable to the device even if repairs are carried out or parts are replaced. In such cases, the work performed or parts fitted will not result in an extension of the guarantee period, and no new guarantee will become active for the work performed or parts fitted. This also applies when an on-site Service is used.
5. Please keep your sales receipt in a safe place. If it is covered by our guarantee your product will either be repaired under the terms of guarantee or we will send you a replacement product. This product may be re-conditioned or like for like replacement .
