Thank you for your purchase. Please read this manual carefully before assembly and assemble the components in the specified order.

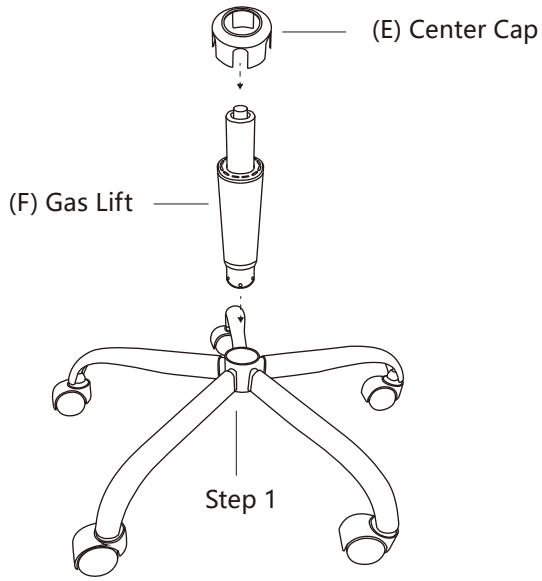

- Before beginning installation, verify all components are present. Contact us if any accessories are missing.
- Caution: Accessories include small parts. Keep out of reach of children to prevent accidental ingestion.
- Ensure all bolts, screws, and knobs are securely tightened before use.

Assembly Instruction

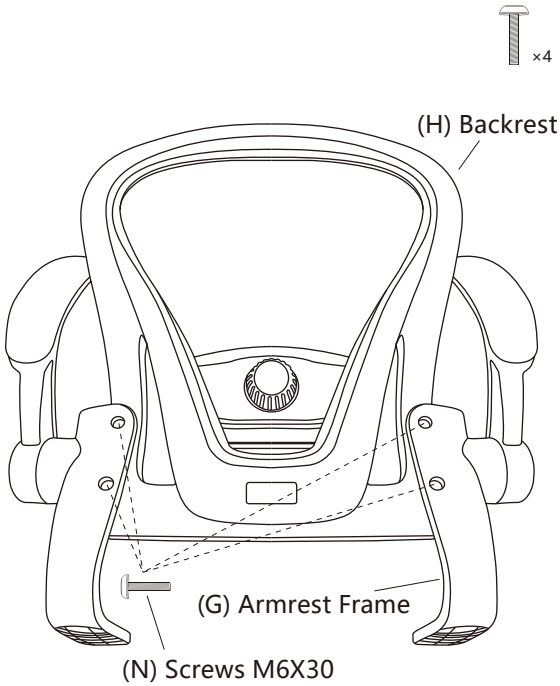

Step 1: Connect the Central Base Tube to the Split Base Tube. Insert castors into the hole of the split base tube.

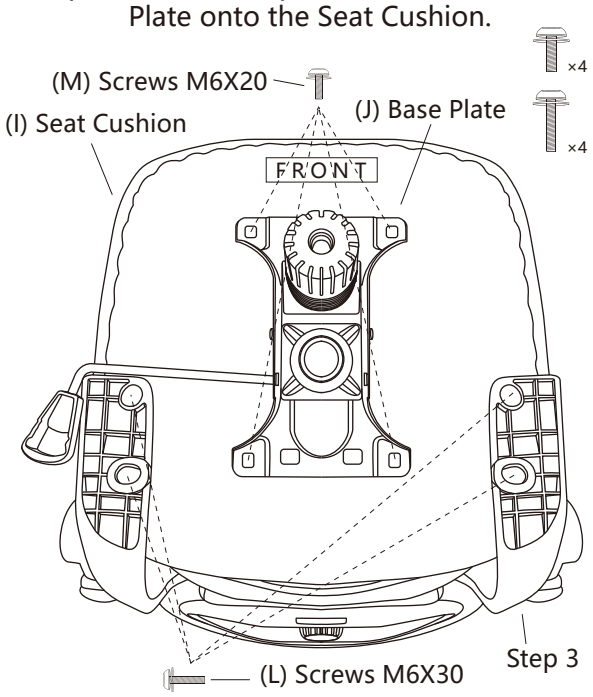

Step 2: Attach the Gas Lift to Step 1. Finally, install the Center Cap.

Step 3: Attach the Armrest Frame to the Backrest and secure it.

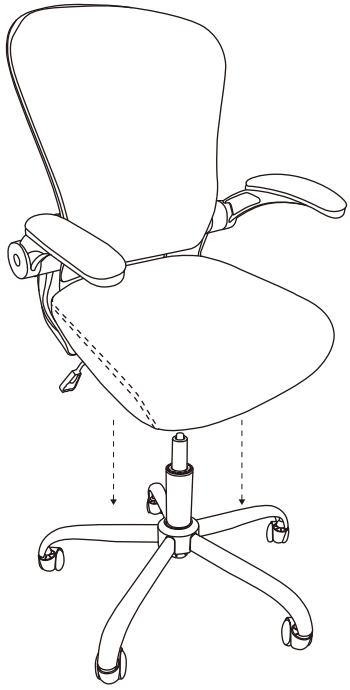

Step 4: Attach the Seat Cushion to the component from Step 3. Then, install the Base Plate onto the Seat Cushion.

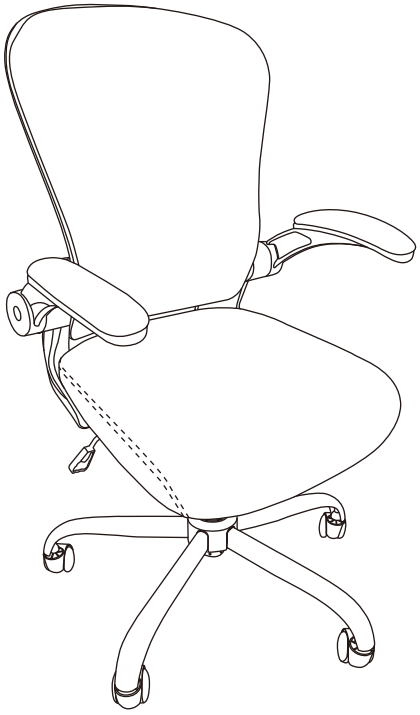

***Caution: There is a FRONT sticker on the front of Seat Cushion**

Assembly Instruction

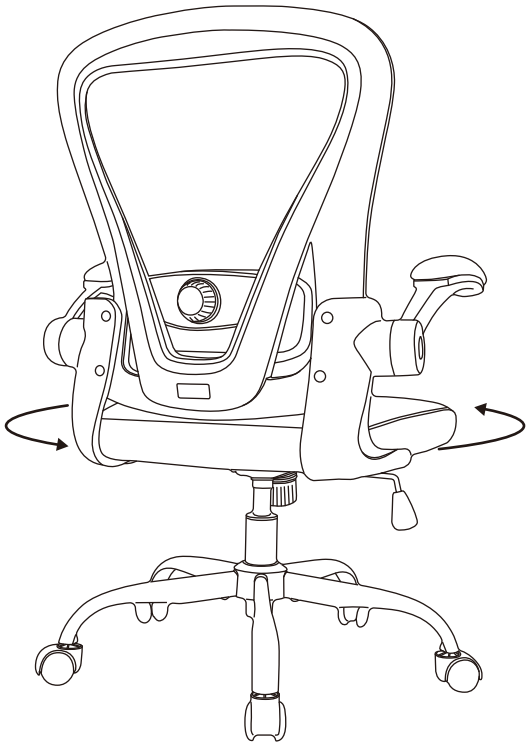

Step 5: Align the upper part of the chair (Step 4) with the gas lift (Step 2), and attach them together.

Step 6:Assembly Complete!
