SAFETY AND CARE ADVICE

- Check you have all the components and tools listed.
- Remove all fittings from the plastic bags and separate them into their groups.
- We do not recommend the use of power drills/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers and Allen keys.
- Keep children and animals away from the work area, small parts could cause choking if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Assemble the item as close to its final position (in the same room) as possible.
- Do not overtighten the nuts to avoid causing damage to the threads.
- Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit
- This product should not be discarded with household waste. Take to your local authority waste disposal centre
