

STICKLEY®

Little Treasures Copper-Top Tabouret

In our Little Treasures collection, you'll find modestly scaled oak pieces crafted with Mission techniques and designed for a variety of uses. The Copper-Top Tabouret is inspired by a Stickley Brothers design circa 1910. A round top of hammered copper sits on a solid-oak frame made up of three tapered legs and a stretcher shelf attached with through-tenon joinery. Its low height allows the tabouret to serve as a small table, stool, or plant stand. Additional finishes available for Express Ship.
