howardmiller.com

31.5" Antique brass finished metal wall clock.

Antique brass finished center with moving antique brass-finished gears.

Moving gears are incorporated into the clock's design, enhancing the overall dynamic while creating an attention-grabbing focal point.

Quartz, battery-operated movement requires one AA and four C batteries (not included).

Aged black with off-white Roman numerals and minute track.

Antique brass spade style hour and minute hands.
