STEP IV Branch Adjustment

STEP I Unpacking

Open the box, and take out all the accessories, you will get the following items.

FAQ

Q: When I open the box, I find that the crystals are broken, what should I do?

A: As crystals are handmade and inherently fragile, we have taken this situation into consideration. We have prepared crystals in each box, which is sufficient for your needs installation. If there are more broken crystals, please contact us in time, we will send new crystals to you.

STEP II Wiring and Mounting

1. Adjust the length of hanging cable and wire according to your requirement.
2. Take off the mounting bracket from ceiling canopy, and install it on ceiling.
3. Connect lamp wires and your house wires together.
4. Install the lamp frame on ceiling.

FAQ

Q: How do I differentiate between N/L wiring and a ground wire?

A: We have already distinguished between the N/L markings on the wires and the brass wire on the mounting bracket is the ground wire.

STEP III Hanging Pendants

FAQ

Q: Do I need to install the iron pipe components in order?

A: No, you need to use the movable clips to fasten to the lamp body and lock the screws into place.
