Application

It is suitable for balcony guardrails, attic guardrails, staircase guardrails, various indoor guardrails, various outdoor guardrails, swimming pool guardrails. It can only be installed in the middle joint and cannot be installed on both ends.

Notes

1. The glass should not be too far from the bottom of the fish mouth clip. It is best to stick to the bottom so that the glass can be more stable.
2. You need glass glue to fix other sizes of the panels.
3. The mounting screws are not included in the package.
4. Please allow the slight color difference caused by the shooting light and 1-3 mm error due to manual measurement, and make sure you do not mind before ordering.
