

Assembly Instructions

Caution: You must read this before you proceed

Care & Maintenance

- Not for commercial use. For residential use only.

- Furniture may scratch floors. We recommend using furniture pads to protect your floors.

- Do not put hot items directly on furniture surface.

- Do not clean furniture with harsh cleansers or polish.

- Do not place furniture under direct sunlight.

- Do not place furniture near heating or cooling vents.

- Do not write on furniture without a padded barrier to protect the surface.

- Do not place furniture outside . For indoor use only.

- Stains may be removed with mild soap solution and damp cloth.

- Children should not climb or jump on the furniture.

- Dust and pick-up spills using a clean, non-colored, lint-free cloth.

KING BED

WARNING !

STRANGULATION HAZARD

NEVER place bed near windows where cords from blinds or drapes may strangle a child.

NEVER suspend strings over bed.

NEVER place items with a string, cord, or ribbon, such as hood strings or pacifier cords, around a child's neck. These items may catch on bed parts.

ALWAYS follow assembly instructions.

Not intended for children under the age of six. INFANTS HAVE DIED FROM BECOMING ENTRAPPED IN BEDS. Openings in and between bed parts can entrap the neck and head of a small child.

NEVER use bed for child under the age of six.

The mattress must be appropriately sized for the bed. If the mattress is undersized, dangerous gaps can exist and a person can become entrapped or entangled in the frame and suffocate.

CAUTION: This King Bed is NOT a TOY.

Keep your child / children away in the process of assembly.

For turning the King Bed and to prevent damage to the King Bed.

02 persons may be needed to execute this action.
