## ASSEMBLY INSTRUCTIONS

### BEFORE ASSEMBLY:

- ① Find a clean, level place to begin the assembly of your product.
- ② Verify that you have all listed parts as shown on the part list pages.

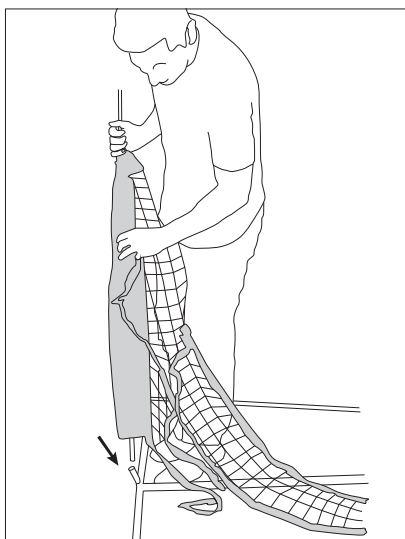

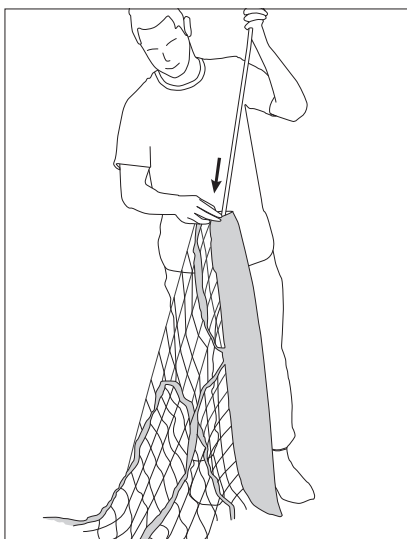

**Step 1:** Connect the two middle poles together with the push-button locking system and connect them to the base legs.

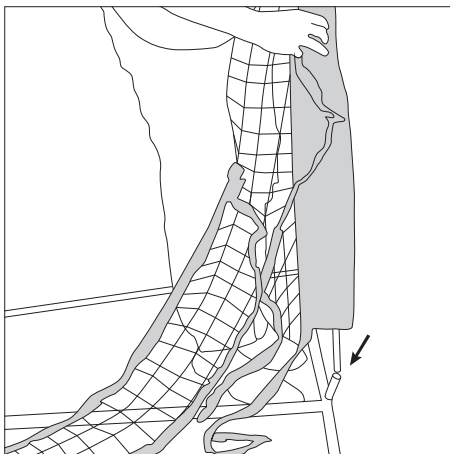

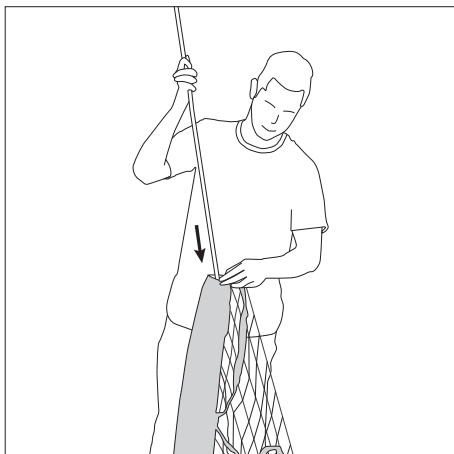

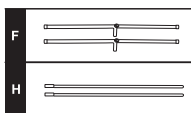

**Step 2:** Slip one side sleeve over one of the lower poles.

(NOTE: The end with the white loops should be on the top. Make sure Logo is not upside down.)

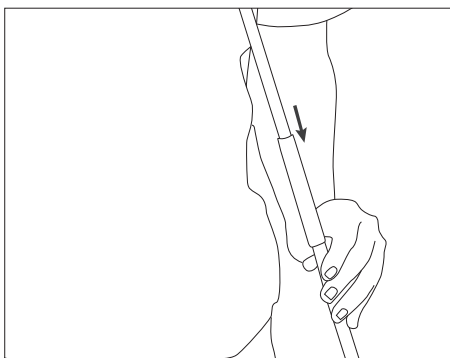

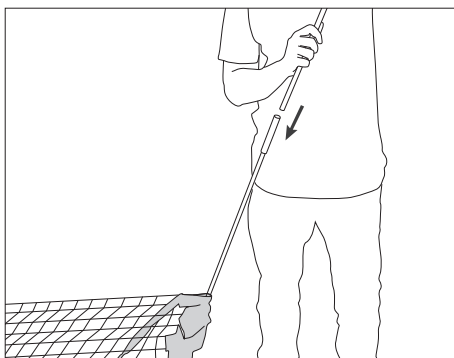

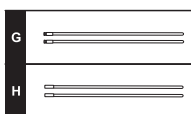

Then, insert the pole into one base leg's connector.

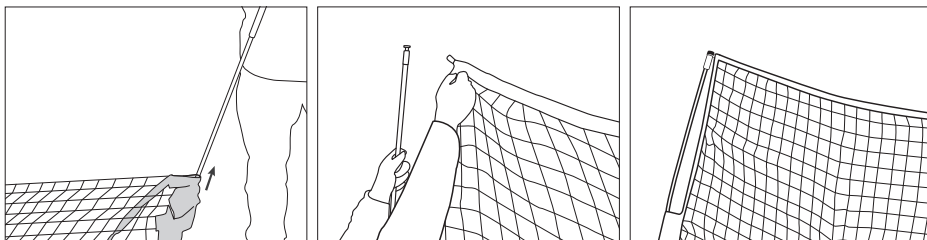

**Step 3:** Repeat Step 2 on the opposite side.

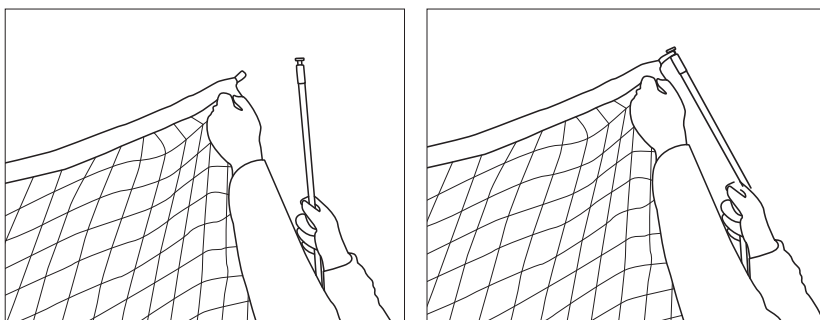

**Step 4:** Insert one upper pole into one lower pole.

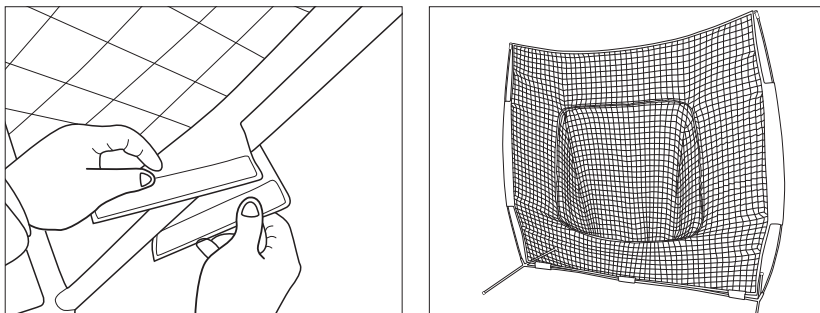

**Step 5:** Slide one side sleeve up and pull the pole towards the middle. Then, hook the white loop around the notch of the silver part.

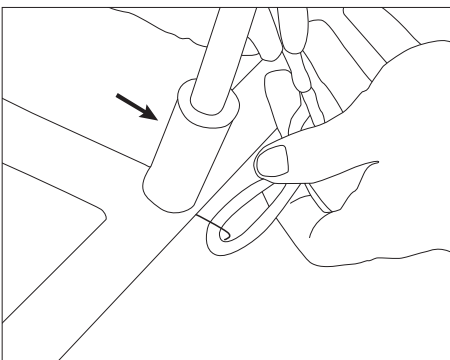

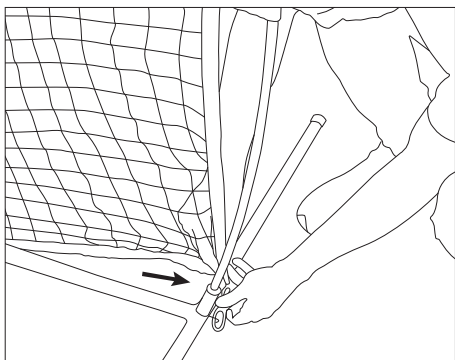

**Step 6:** Repeat Step 5 on the opposite side.

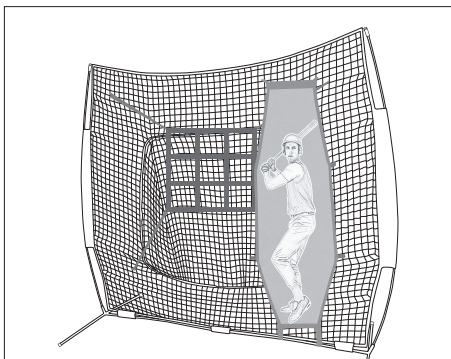

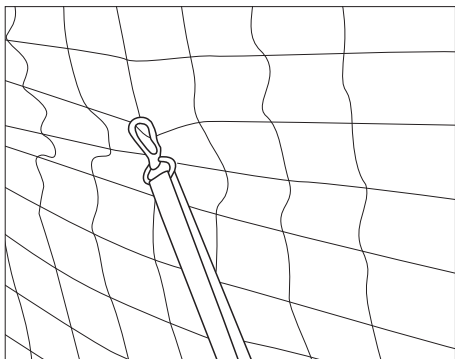

**Step 7:** Secure the 3 Velcros at the bottom of net around the middle poles.

**Step 8:** Attach the black loops at the corner of net to the hooks on the base legs for both sides.

**Ps:** The adjustable strike zone that attaches to the net provides you with a target that you can use to improve your pitching accuracy. The Practice Batter simulates a live batter for safe and effective pitching drills.
