

# GEMS RANGE

## MUG TREE & KITCHEN ROLL HOLDER

### Unique Design:

The SQ Professional GEMS Mug Tree and Roll Holder set is an excellent ensemble for any busy household. With elegant design features and eight different colour options to choose from, this quality stainless steel storage set makes an essential counter top set for any fun and contemporary kitchen.

### High Quality Features:

The GEMS Mug Tree and Roll Holder come as a perfectly matching set, in their respective colour options, and all feature a stunning metallic paint finish. The Mug Tree allows space for up to six mugs to be stored at any one time, and with the multi-directional storage platforms it's easy to access any mug on the tree, whenever you need.

### Safe and Convenient:

The simple, yet sturdy design of the Mug Tree and Roll Holder help to reduce clutter in your kitchen and perfectly match with their similar counterparts in the GEMS range, so you can create a vibrant and unique look across your kitchen. Added to this, both bases for the Mug Tree and Roll Holder have a rubber, anti-slip layer to hold them firmly in place on your counter top.
