

*The perfection of imperfection*

We celebrates the unique qualities of natural materials and handcraft. Variations in marble, hand-applied gold-leaf, natural mineral mica, hand-stitched woven fabrics and wood grains are inherent and add to the charm and authenticity of our products. These natural imperfections are not defects but a testament to their individuality.

Hand-Applied Gold-Leaf

Natural Marble

Solid Woods

Bone Porcelain

Natural Mineral Mica

Hand-Stitched Woven Fabrics

Enjoy the perfection of imperfection.
