

Assembly Instructions for **Model 21178994**

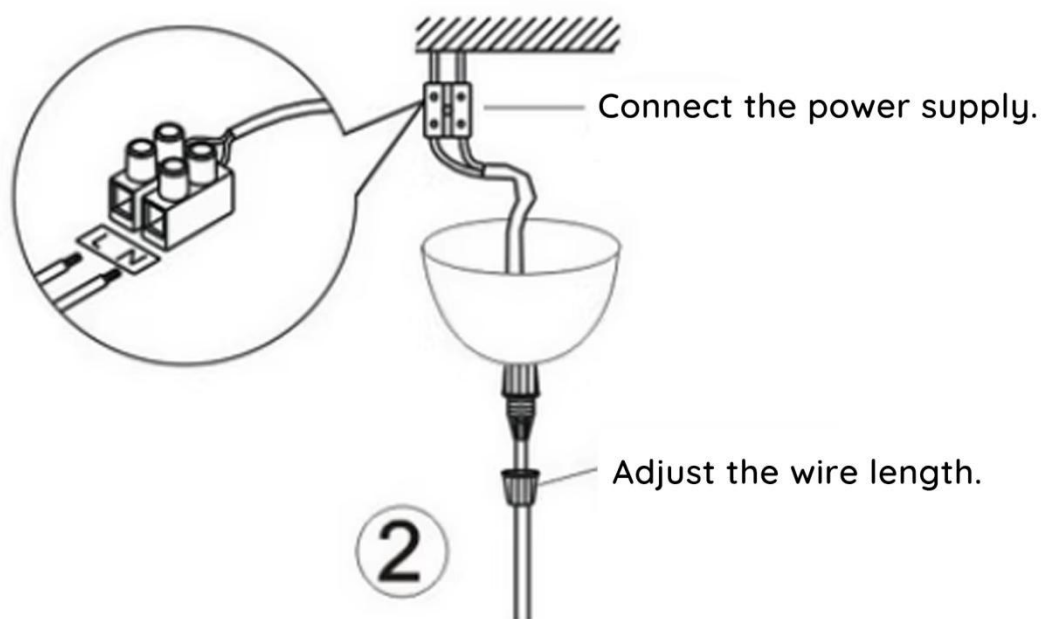

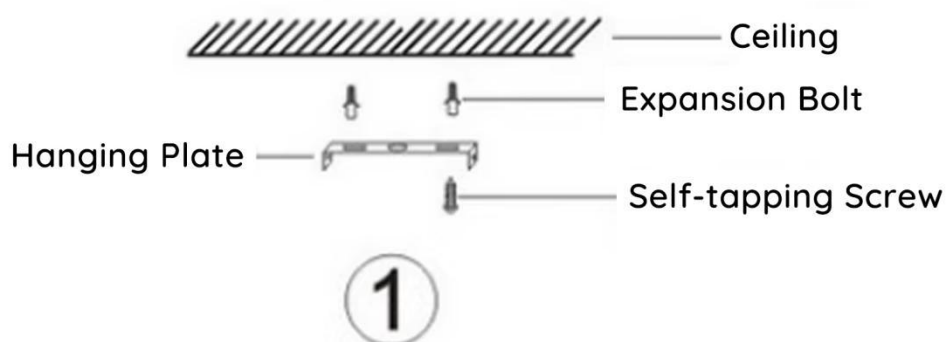

NOTE: This product can be installed by following similar steps. If you have any questions, please contact our customers for help.

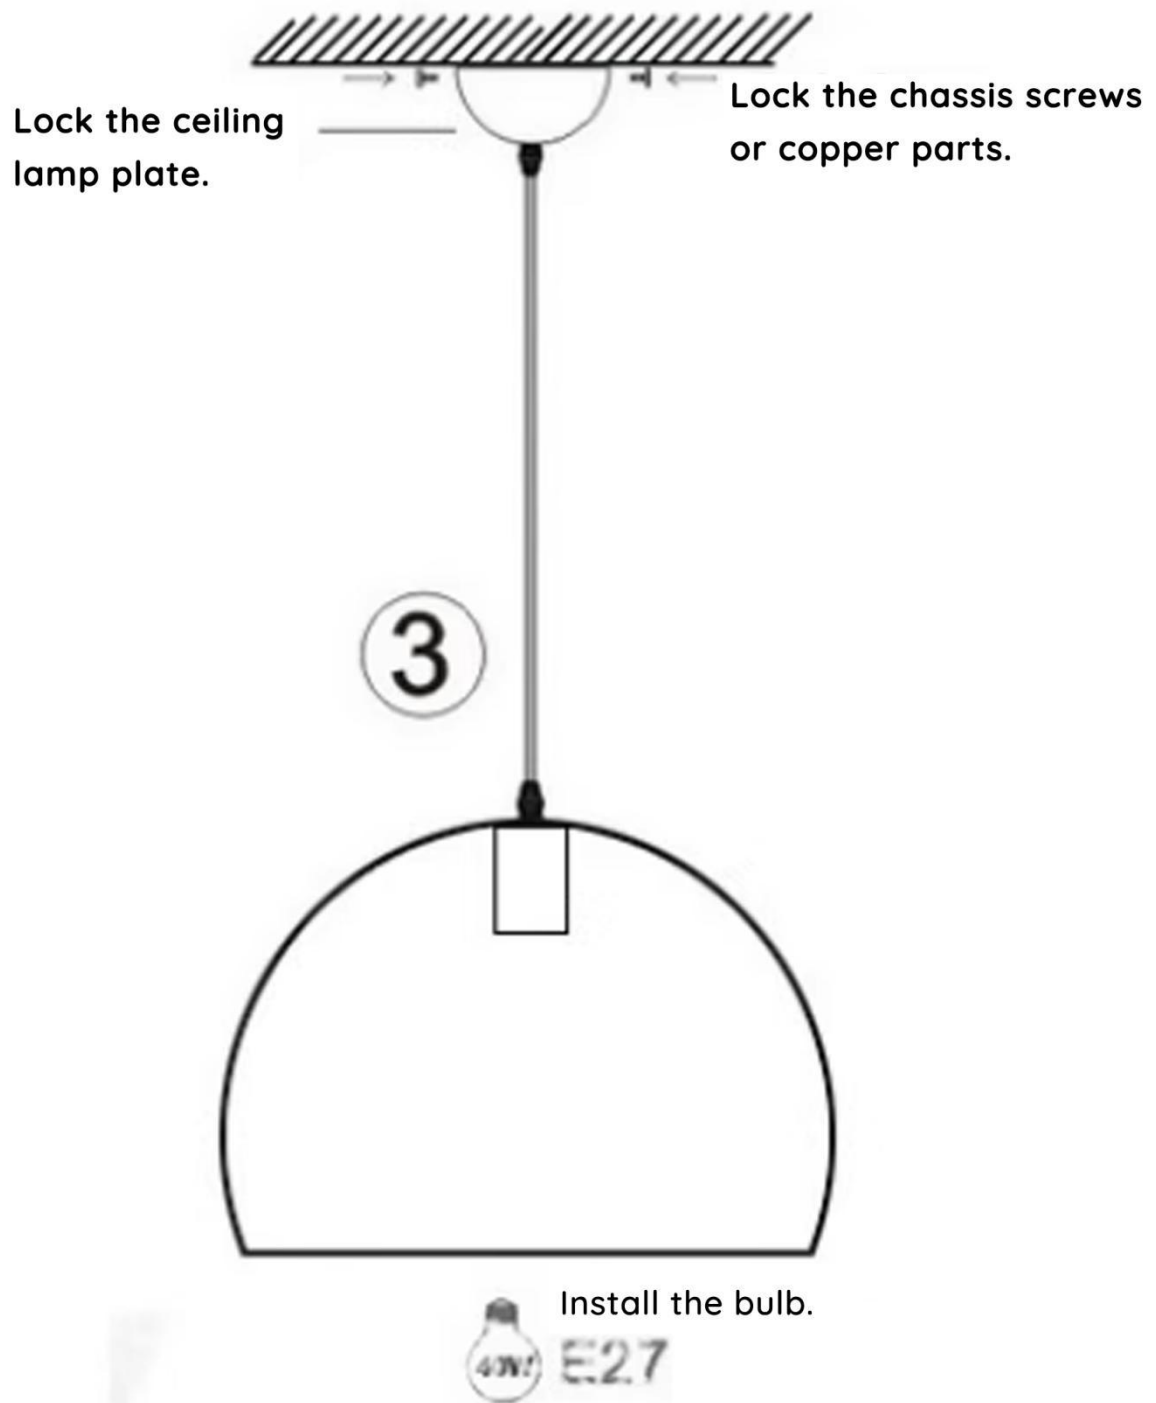

General installation steps for lamps

Figure 1: Fix the hanging plate to the ceiling.

Figure 2: Connect the power supply. The red wire connects to the live wire and the blue wire connects to the neutral wire. If there is no ground wire, you can leave it unconnected.

Figure 3: Lock the ceiling lamp chassis.

Your fixture is now assembled and ready to use.
