

## DO's and DO NOT's

- **DO** rotate your mattress as needed.
- **DO** use an appropriate bed frame or foundation.
- **DO** allow your mattress to air out upon opening.
- **DO** keep your bedding clean and use a mattress pad.
- **DO** discard the plastic wrapping and other packaging materials immediately after removing the mattress to avoid any harm.
- **DO** keep the bag away from babies and children. The thin film may cling to the nose and mouth; a child can become entangled and suffocate.
- **DO NOT** use this mattress in cribs, toddler beds, carriages or playpens
- **DO NOT** remove the law tag as this is the identification needed for your warranty
- **DO NOT** bend or jump on your mattress
- **DO NOT** allow small infants and babies to sleep on the mattress for safety reasons
- **DO NOT** expose the mattress near any fire or place near an open flame
- **DO NOT** smoke, use candles around or on the bed or run electrical cords under your bed
- **DO NOT** keep a child near the mattress during the automatic inflation process
