1

Position the two X-shaped legs (D) parallel to each other and facing inward, as shown in the picture. Attach the upper connector rod (C), ensuring it is oriented correctly according to the diagram. Secure it with screws (E), tightening them to about 80% for now.

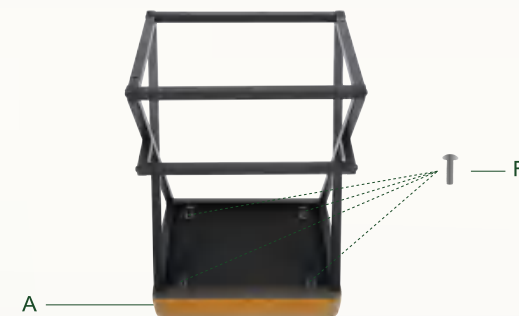

2

Install the lower connector rod (B) between the X-shaped legs (D). Secure it with screws (E) and fully tighten all screws to 100%.

3

Turn the Seat Cushion (A) upside down. Also, place the assembled leg frame upside down onto the seat cushion. Secure the frame to the seat using the remaining screws/bolts (F).

4

Carefully turn the stool upright. Your assembly is now complete.

MAINTENANCE INSTRUCTION

Clean with dry cloth. Wipe with neutral detergent. **DO NOT USE** the product when it is unsafe for sitting.
