

Dear Customer,

Thank you for choosing us.

We specialize in researching, developing, selling household and office products. Our goal is to provide you with high-quality products that inspire happiness, ensuring trust and satisfaction.

For safe use, please read this manual before installation, and keep it for after use. Please feel free to email us if you have any concerns about our products. We'll reply within 24 hours.

The following are the things you need to pay attention to so that we can provide you with services when you encounter problems during the installation and use of the product:

- When the product is damaged due to courier problems, please contact our customer service in time for verification.
- We will rectify the issue as soon as possible;
- We give a 365-day quality assurance;

We offer product explanations, installation instructions, product maintenance and maintenance methods.

If you feel satisfied with our product and service,

- Please set our store as your favorites;
- Please recommend our products to your friends;
- Please leave us your purchase experience in our store or product page.

Feedback or reviews from you will greatly help us offer better services to players around the world.

Best regards!

Avoid using sharp objects such as a knife to cut open packaging as you may accidentally damage the product.

Bed Frame
