

Thank you for choosing us. If you have any questions, comments or concerns please feel free to contact us by phone, by email, or you could also email us via our contact us page.

We stand behind our brand and the quality of the items we sell. We will send new parts, or replace products at our discretion within the one year warranty period. Before we can help, you will need to provide proof of purchase with the date of purchase and photos of the defective merchandise. We will use the photos to determine the cause of defect and for future quality control.

B	Right piece	1
C	Tier	3
D	Pin	2

Assembly Instructions:

DO NOT FULLY TIGHTEN THE BOLTS BEFORE ASSEMBLING FINISH

1. Put all parts on the soft surface .
2. Assemble Left piece(A) and Right piece(B) together with 2 Pins(D)
3. Put 3 Tiers(C) on the rack, please kindly note to put it in sequence, First put point 1, and then point 2, and then point 3

Care And Maintenance:

1. To extend the life of your flower stand, clean it after each use and cover the unit to protect it from the elements.
2. To maintain the finish, clean the surface by using a soft cloth. Do not use a metal brush.
3. If metal is scratched, the fire pit may need touch up painting. Ask your local paint store representative which paint is best for your type of fire pit. To prevent rusting, coat the exposed surface immediately.
4. Although flower stand in general do well in adverse weather conditions, store it in an enclosed structure during the off-season.
