Base Type: E12

Light Source Included: No

Voltage: 120VAC

Wattage: 40W

## Package includes

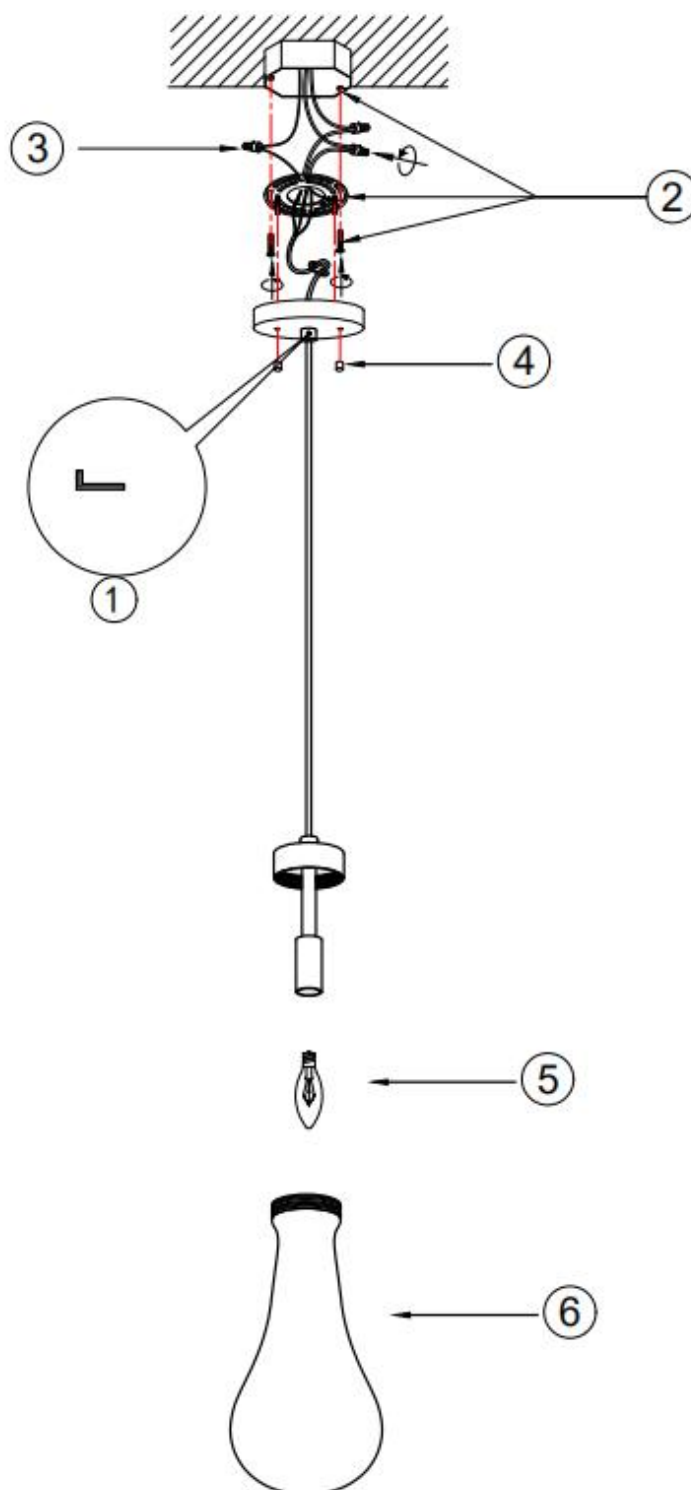

1 x Pendant Light

1 x Accessory Pack

1 x User's Manual

## Installation Instructions

1. Use a wrench to loosen the screws and adjust the suspension cable to the desired height, then slide the figure-8 safety stopper to the bottom of the canopy.
2. Secure the mounting plate to the U.S. standard junction box using the mounting screws.
3. Connect the supply wires using wire connectors (Note: connect the live wire L to live, the neutral wire N to neutral, and the ground wire to the grounding screw). Make sure no wires are exposed during installation.
4. Secure the canopy in place using the cap nuts.
5. Install the light bulbs (bulbs not included).
6. Install the glass shades onto the fixture (Note: twist until snug—do not overtighten).

**Note:** Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
