## Attention:

Extra hardware parts and foot pads are provided for the purpose of possible repair or replacement in the future.

In the process of assembly, be sure to keep all small parts in the package out of reach of babies and children, which pose a choking hazard if swallowed or inhaled; keep the packaging materials (film, plastic bags, foam, etc.) away from babies and children to avoid potential dangers of suffocation.

Do not fully tighten any screw until all screws are aligned with their corresponding holes.

Two persons are required for the assembly; for the purpose of a time- saving and hassle-free assembly, please act in compliance with the step-by-step instructions.

Brake the bottom wheels tightly when the cart does not need to move to avoid bar cart skidding

Children are not allowed to play on, stand on or jump from the bar cart which is intended for the storage and organization purposes only.

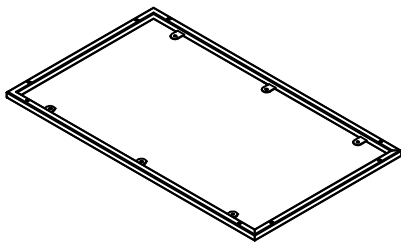

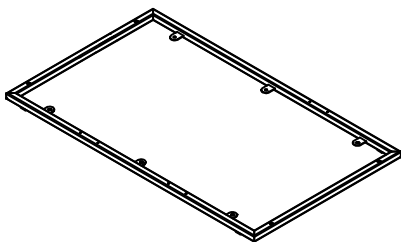

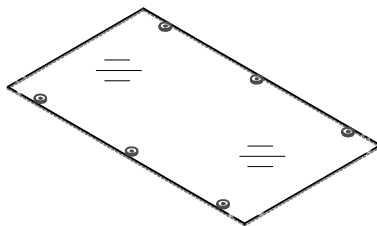

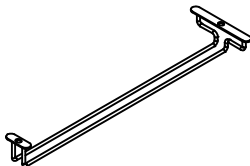

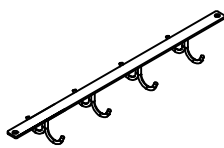

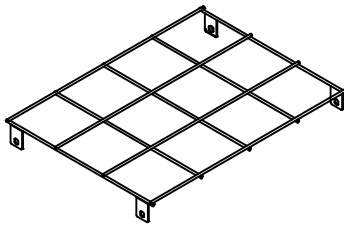

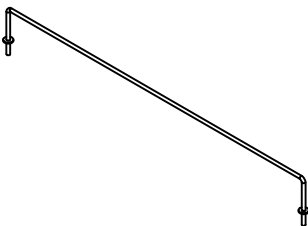

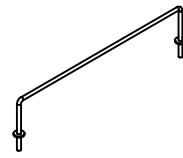

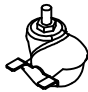

The seller bears no responsibility and/or liability for any personal injury and/or property damage arising from improper use or incorrect assembly of the bar cart.

During the assembly, please be wary of sharp corners of the wooden panel or the metal frame, it is commended to wear a pair of gloves when you come into contact with these parts.

Any unauthorized modification to this item will void its warranty.

# Care and Maintenance

It is recommended to wipe off the dust gathering on the bar cart with a soft and clean piece of dry cloth.

Do not use solvents of any kind, as they may damage the finish of the item.

It is essential to check if any screws/bolts are loosened periodically and then tighten them accordingly.

It is important to keep this item in a climate-controlled environment, since extreme temperatures and humidity changes can cause fading, warping, shrinking and splitting of Acrylic rods.

This item is designed to be used indoors only, please avoid using it outdoors, as direct exposure to sunlight or rainwater will curtail its durability.

Keep the Bar cart e away from pointed objects or corrosive chemicals to protect its surface from being damaged.

Never stand, sit or lie on the Bar cart, nor it can be used as a ladder.

Following the tips above will help the item retain its performance even when it ages over time.
