## SPAS

### Before Purchasing a Spa Cover

It is important you know your spa model number to ensure you purchase a cover that will fit your spa. Please follow the steps below.

#### Step 1

##### **Write down your spa model number.**

Locate the metal plate on your spa and write down the model number. The number starts with 3 letters, which is what you'll need to match with your cover in the table below.

[View an example of the metal plate and where to locate it on your spa →](#)

#### Step 2

##### **Find the matching cover.**

Using the first 3 letters of your spa model number, find the matching cover in the table below.

#### Step 3

##### **Purchase your matching cover!**

Click on the matching cover in the color of your choice below to order now.
