

SHWALLY

for home and play

THANK YOU FOR CHOOSING TO SHWALLY WITH US!

We are a small family-owned company so with every order we do a 3 person family-dance on our Shwally Playmat!

We hope your little ones get as much fun and protection from your Shwally Playmat as our little Theo does!

If you have any questions, issues or concerns, please contact us any time so we can help at shwallyhome@gmail.com

HOW TO CARE FOR YOUR SHWALLY MAT:

CLEANING

- As with any other baby product we suggest to clean the mat with mild soap and water before first use.
- Small messes are best fixed with baby wipes, a damp cloth with dish soap, or a mild cleaning solution. Then let it air dry completely. Try not to leave wet spots under the mat as this might trap water, resulting in mold/mildew.
 - Hose it down outside for the bigger messes, but please note, the material may be slippery when wet!
- We do not suggest using any type of vacuum or appliance with rotating brushes, as they WILL cause damage.
 - Strong cleaners, including essential oils, rubbing alcohol and nail polish can strip the material.

DURABILITY

- The Shwally Playmats are waterproof and very durable, but they can stain! Be careful with marker, pen, paint, dark berries, tomato sauce, coffee, or other acidic liquids, as they may not come out.
 - We have not done formal testing with pets, but sharp objects, such as pet nails, may pierce or scratch the material, so paws off.
- The Shwally Mat is a great place to sit and play outside, but it should not be left in direct sunlight for a long period of time, as it could fade.
- It is not recommended to leave heavy objects on the Shwally Mat, as it may cause a permanent impression.
- Lastly, it could take the mat a few days to lay flat. You can speed up the process by rolling it up in reverse for a day.

CAN I USE MORE THEN ONE MAT IN A ROOM?

Absolutely! The Shwally Mats are a great way to fill a large space. When using more than one, please note that the pattern may not perfectly align.
