

Assembly Instructions

Caution: You must read this before you proceed

Care & Maintenance

- Not for commercial use. For residential use only.

- Furniture may scratch floors. We recommend using furniture pads to protect your floors.

- Do not put hot items directly on furniture surface.

- Do not clean furniture with harsh cleansers or polish.

- Do not place furniture under direct sunlight.

- Do not place furniture near heating or cooling vents.

- Do not write on furniture without a padded barrier to protect the surface.

- Do not place furniture outside . For indoor use only.

- Stains may be removed with mild soap solution and damp cloth.

- Children should not climb or jump on the furniture.

- Dust and pick-up spills using a clean, non-colored, lint-free cloth.

Please look in the box for hardware packs and legs.

Sets often ship in multiple boxes and may arrive a day or two apart.

Step 7

Attach the Middle support leg G to the Center support bar F with Bolts ③ by using Allen Wrench ①.

Step 8

Attach the Center support bar F to the Center support bar fittings ⑤ with Bolts ③ by using Allen Wrench ①.

Step 9

Attach the Slats J to the Side rails support bar E with Nails ④ by using Allen Wrench ①.

Step 10

Your Bed is ready for use.
This Bed can only be used on a flat, level surface.

Place the Bed on a LEVEL SURFACE.

Inspect it and make sure all parts are adequately connected.

Don't push too hard, shake on the bed.

This would help to align all the parts at all the joint areas.

CAUTION 1: When tightening these screws, tighten sequentially.

DO NOT tighten any screw fully and then towards the next one.

This would cause the frame to warp.

If there is still wobbles, loosen the screws and execute this same process. DO NOT

tighten any screw fully and then towards the next one.

WARNING!! IF BED IS NOT STABLE, IT COULD LEAD TO DAMAGING THE PRODUCT.

Ensure all screws are fully locked into position.
