Aqua Dream

UPC:**Product Title:**

Premium 500 Gallon Aquarium – Tempered Transparent Glass with LED Lighting, Complete Fish Tank, Black Premium

Standard Price: \$17,999.99

Key Product Features:**1. Complete All-In-One Aquarium Package:**

This package includes a 423-gallon aquarium with a tri-color LED-lit lid, a fully assembled storage cabinet, and a 40-gallon filtration system complete with filter media and a 55W aquatic pump (2000 GPH). This comprehensive kit includes everything you need for a seamless setup.

2. Ultra-Durable Crystal-Clear Glass Construction:

Crafted from high-quality low-iron tempered ultra-clear glass, this aquarium features a 0.47-inch thick glass construction for enhanced durability against impacts, scratches, and daily wear. The glass is highly resistant to fingerprints, smudges, and both acidic and alkaline substances. With light transmission exceeding 91.5%, it ensures clear visibility.

3. Durable Stand Construction:

The stand is built with a sturdy all-metal frame that resists saltwater corrosion and can withstand stress and heavy loads without warping. It is waterproof and resistant to degradation, ensuring long-lasting performance. The stand is also protected by our warranties.

4. Advanced Modular Sump Filtration System:

The wet-dry filtration system is fully equipped with all necessary components for installation. It features modular filter media dividers, making setup easy. The filtration system, with a 40-gallon water capacity, is housed inside the cabinet to maintain a clean aquatic environment. The glass is bonded with high-quality German biophilic silica gel to improve resistance to saltwater damage, providing up to 20 years of reliable use.

5. Enhanced Aquatic Environment:

Offer your aquatic pets a superior living experience with this stylish aquarium. Customize the tri-color LED lights to suit your mood while providing a spacious, clean, and clear environment for your fish. The ultra-clear glass and efficient filtration system ensure a pristine habitat for your marine life.

Product Description:

This premium all-in-one aquarium system is perfect for aquatic life enthusiasts. It includes a fish tank, stand, tri-color LED cover, and an integrated filtration system. The aquarium features ultra-clear glass that resists scratches and smudges, making it an elegant addition to your home or office. Designed to house various marine species such as corals, Arowanas, and plants, it offers ample space for water features and lighting customization. The stylish, robust aluminum cabinet not only provides storage but also houses a modular sump filtration system to maintain a pristine environment. We offer a three-year warranty, excellent customer service, and a one-year warranty on electrical components when purchased in a bundle. Spare parts are guaranteed for a lifetime, ensuring that your investment remains protected for many years.
