

SIDE CHAIR

ASSEMBLY MANUAL

WARNING:

Manufacturer and seller expressly disclaim any and all liability for personal injury, property damage or loss, whether direct, indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.

The parts and hardware below have been included for assembly:

(A) x 2

(B) x 1

(C) x 1

(D) x 8

(E) x 1

ASSEMBLY STEPS:

1

Align the back seat (part C) with a side frame (part A) and attach using 2 small screws from part (D).

2

Repeat step 1 on opposite side as shown.

3

Lay the seat (part B) onto the side frames (part A).

4

Lean the chair forward and align the holes located underneath part (B).

5

Attach part (B) using four small screws from part (D).

Note: First Align, then Hand thread the bolts and do not tighten all the way. Put heavy load on top of the Seat. Tighten one bolt little bit and then others little bit and do this for all bolts until the seat is perfectly align.
