**Careful Craftsmanship:** Fall in love with the stunning craftsmanship of this glass display cabinet. The cabinet is finished in black satin on select hardwoods and veneers, offering sleek style to any space.

**Detailed Design:** No detail was forgotten in the creation of this black curio cabinet. A locking front door with beveled glass slides in both directions for convenient access to the shelves. Two incandescent lights illuminate collectibles, and a glass mirrored back enhances the view.

**Convenient Features:** Enjoy the easy-to-use, No-Reach™ roller light switch for the interior light, conveniently located on the back of the cabinet, as well as the handy attached key holder.
