1

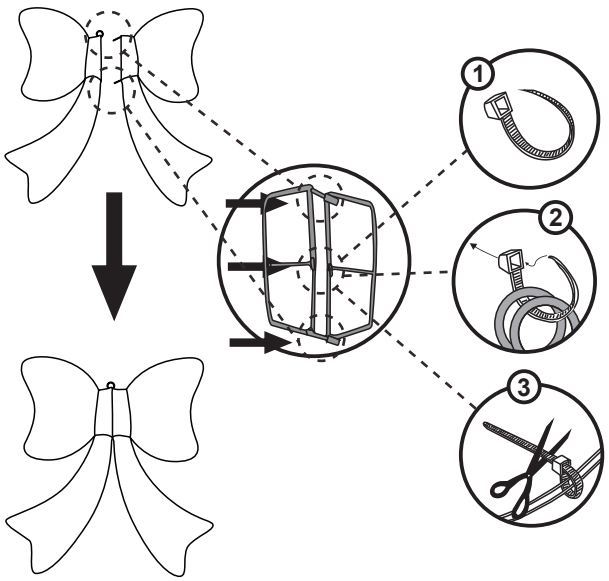
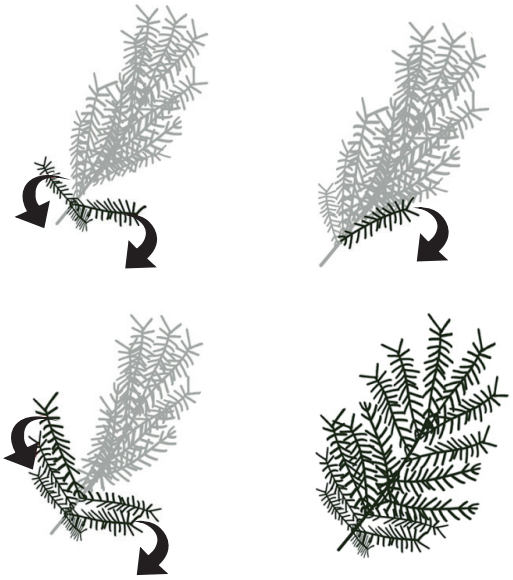
Comme illustré, reliez les sections de la couronne entre elles pour former une couronne complète.

2



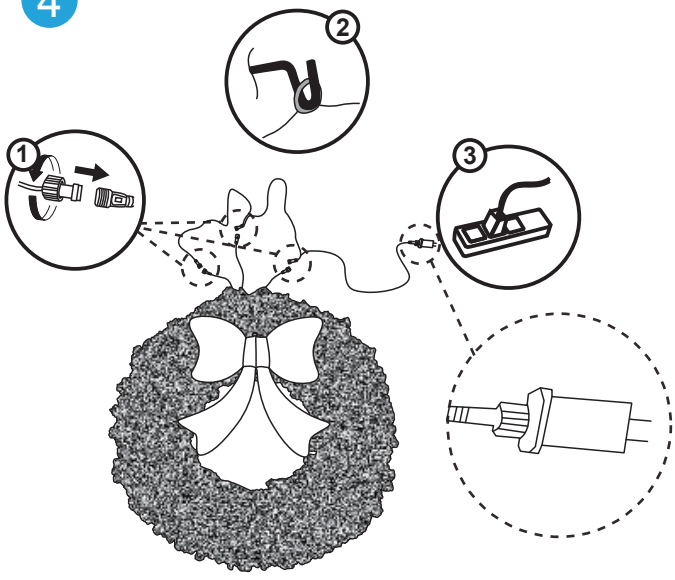
Reliez solidement les deux moitiés du nœud pour former un nœud complet.

3



Formez et ébouriffez toutes les branches et feuilles pour obtenir une apparence pleine et naturelle.

4



Branchez le connecteur de la guirlande lumineuse, accrochez le nœud à la couronne, puis branchez la fiche sur la guirlande.

RANGEMENT :

1. Retirez le nœud et tous les autres ornements de la couronne.
2. Pliez et disposez doucement les branches et les feuilles vers le centre de la couronne.
3. Séparez soigneusement les sections de la couronne, le cas échéant.
4. Placez tous les composants dans leur carton ou emballage d'origine et stockez-les dans un endroit frais et sec.
