

Installation & Assembly

To avoid scratches and swallowing parts, please do not install by children!

Hardware List			Hardware List		
	Ottoman seat	1		Seat cushion	1
	Sofa cover	1		Legs	4
	Base cloth	1			

- 1** Put on the sofa cover.
Suggestion: you'd better not remove the protective strip before finish putting the cover on.

- 2** Seal the bottom with the base cloth. And then screw the sofa Legs into the reserving holes on the seat.

- 3** Place the seat cushion on.
