IMPORTANT WARRANTY INFORMATION!

WARRANTY AND REPAIR GUIDELINES

SteamSpa warrants that this portable sauna unit will be free from manufacturer defects and malfunctions. For terms and conditions please refer to the latest SteamSpa Warranty at www.SteamSpa.com/warranty.

Please be advised failure to comply with any of the following will VOID the warranty.

1. Sauna must be registered within 90 days of delivery. See www.SteamSpa.com/register.

Warranty Period:

This product is covered under warranty for a period of one year, commencing from the date of purchase.

Requesting Repairs:

In the event that your sauna requires repair, please reach out to our dedicated service center for assistance.

Conditions for Chargeable Repairs:

While many repairs are covered under warranty, there are specific circumstances under which charges will be incurred for material replacement only. These include:

a. Improper Use and Handling:

Damages resulting from usage not in accordance with the manufacturer's guidelines.

b. Voltage Compliance:

Issues arising from operating the device outside the specified voltage requirements.

c. Unauthorized Reassembly:

Any malfunction or damage occurring after the device has been reassembled after initial installation by our authorized supplier.

d. Environmental and Accidental Damage:

Damages caused by natural events, disasters, or fire are not covered under the warranty.

For further information or assistance, visit www.SteamSpa.com/warranty or call 1-800-856-0172.

WARNING

Please read carefully before using sauna

● DO NOT use the sauna product with any of the following Health Conditions:

1. Any type of respiratory condition
2. Any type of a heart condition
3. High or low blood pressure
4. Pregnancy
5. Any skin disease or disorders
6. After or during drinking alcohol or alcoholic beverages

Check with your doctor regarding the use of this product if you have any other health conditions.

WARNING

Please read carefully before using sauna

- Unplug the electrical cord after each use.
- Do not use in wet or damp conditions, there is a risk of electric shock.
- Keep the electrical cord away from heat sources.
- Never operate the unit if the electrical cord or plug has been damaged.
- Do not pull on the electrical cord.
- Repair must be performed by manufacturer, its service agent or qualified person.
- Hyperthermia occurs when the internal temperature of the body reaches a level several degrees above the normal body temperature of 98.6°F (37°C). The symptoms of hyperthermia include an increase in the internal temperature of the body, dizziness, lethargy, drowsiness, and fainting. The effects of hyperthermia include:
 - a. Failure to perceive heat
 - b. Failure to recognize the need to exit the sauna, or physical inability to exit the sauna
 - c. Unawareness of impending hazard
 - d. Fetal damage in pregnant women
 - e. Unconsciousness

The use of alcohol, drugs, or medication can greatly increase the risk of fatal hyperthermia.

ATTENTION

USAGE PRECAUTIONS

- The sauna is not medical equipment and is not intended to be used for medical purposes.
- Consult your doctor before using the sauna when pregnant or if under medical care.
- Stop using the sauna immediately if you feel discomfort, nausea, or sleepy.
- Do not plug in the electrical cord before the sauna is completely installed.
- Do not plug in while folded for storage.
- Staying too long in the sauna may cause overheating.

It is highly recommended that you DO NOT use the sauna for over 30 minutes per day and DO NOT use it more than 3 times per week.

NOT recommended for use by persons under 18 years of age.

FUNCTIONS

- The default countdown time is 60 minutes, which can be adjusted by the controller.
- The product has a foot heating pad.

WARNING Do not hit the foot heating pad with heavy pressure or sharp objects, otherwise it can damage the pad.
