Round Dining Table

Assembly Guide

IMPORTANT: please read these instructions fully before starting assembly

SAFETY AND CARE ADVICE

NO POWER TOOLS

- Check you have all the components and tools listed
- Remove all fittings from their bags and separate into groups
- We do not recommend use of power tools - this could damage the unit. Only use hand screwdrivers and Allen keys
- Keep children and animals away from the work area, small parts could cause choking if swallowed
- Make sure you have enough space to lay out the parts before starting
- Assemble the item as close to its final position (same room) as possible
- Do not over tighten the nuts to avoid damage to the threads
- Only clean using a damp cloth and mild detergent. Do not use bleach or abrasive cleaners
- Do not allow children to climb or play on this product
- From time to time, check there are no loose screws in this unit
- This product should not be discarded with household waste. Take to your local authority waste disposal centre
- Unless otherwise stated, this product is designed for domestic use and is not certified for commercial or contract settings.

IMPORTANT INFORMATION

20 Minute Build

Two Person Build

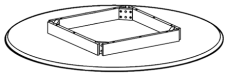

Max Weight Capacity 40kg

Note: Assembly estimates are approximate and can differ based on the specific environment and user experience.

WHAT'S IN THE BOX

Note: the quantities are the correct amount to complete the assembly. In some cases more fixings may be supplied than are required.

Label	Part Name	Drawing	Quantity
1	Table Top		1
2	Table Leg		4

Label	Hardware Description	Drawing	Size (mm)	Quantity
A	JCBB Bolt		M8x70	8
B	Spring Washer		5/16"	8
C	Flat Washer		M8x22	8
D	Allen Key		M5	1

Note:

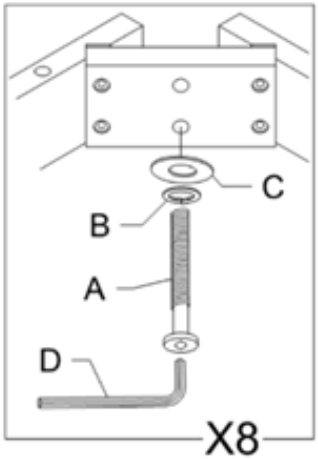

- Use a clear, flat surface to avoid bumps or scratches before assembling.
- Insert all fixings loosely at first to allow for alignment; only tighten them once everything is properly positioned, as some adjustment may be required.
- Avoid over-tightening, as this may damage the parts.
- Seek assistance when moving large or heavy parts

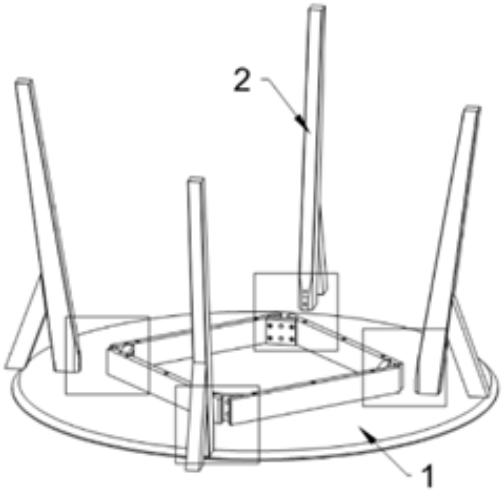

STEP 1

Align 4x table legs [2] to the pre drilled holes on table top [1] and secure using 8x flat washer [C], 8x Spring washer [B] and 8x bolt [A]

Fully tighten with allen key [D]

NOTE: Do not overtighten fixings as this will cause damage to the wood.

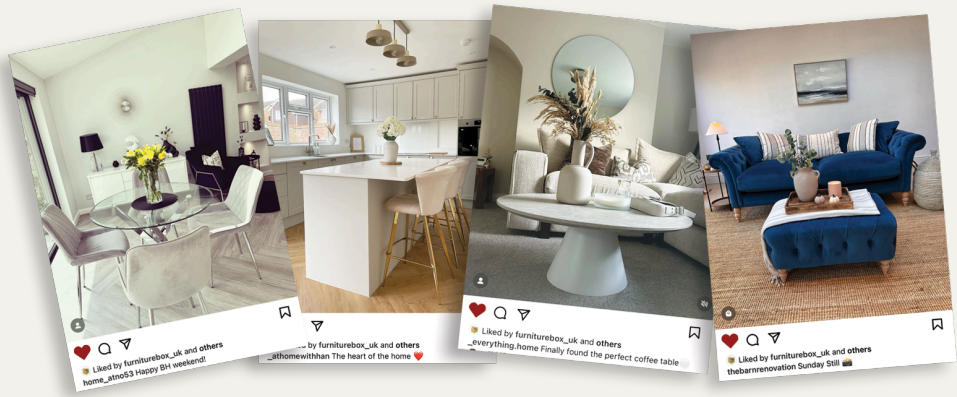

STEP 2

Carefully, and with help, turn the table over to stand on the legs.
Check stability.
Your table is now ready to use!

Please ensure any and all fixings and fittings are FULLY tightened before using this product
