

Coffee Table Assembly Guide

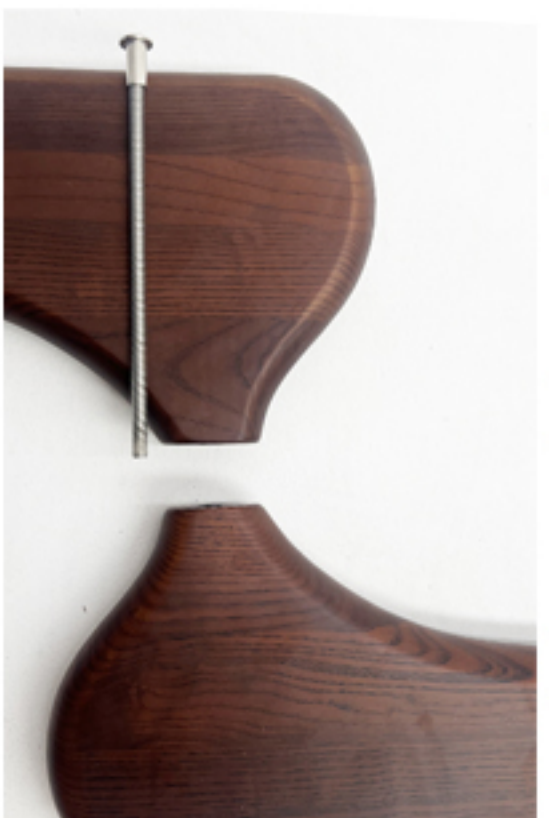

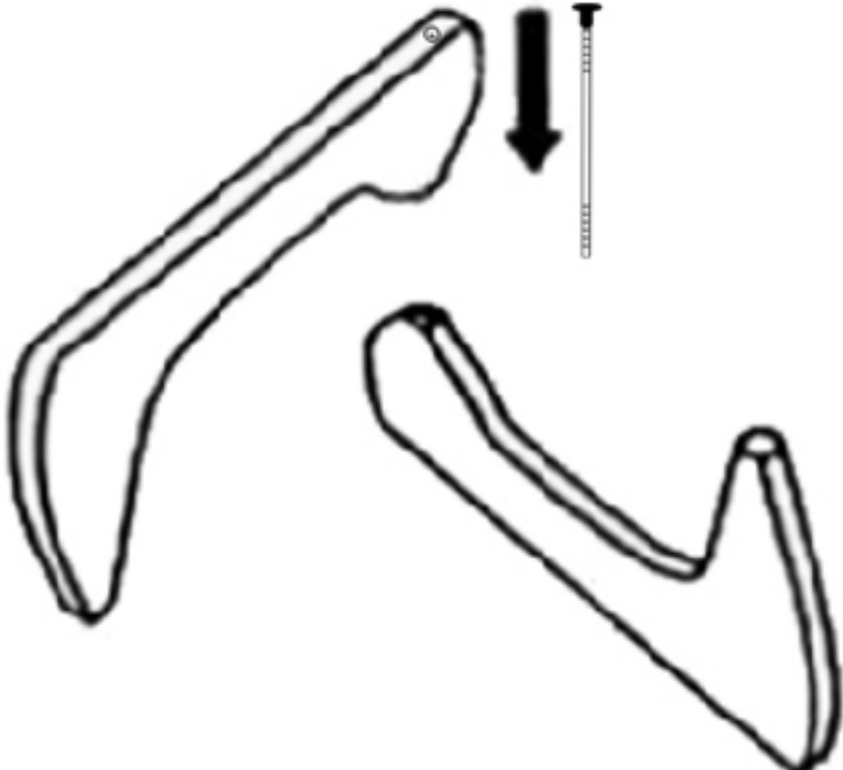

Leg (Qty: 2)

Glass Top Surface

Rod

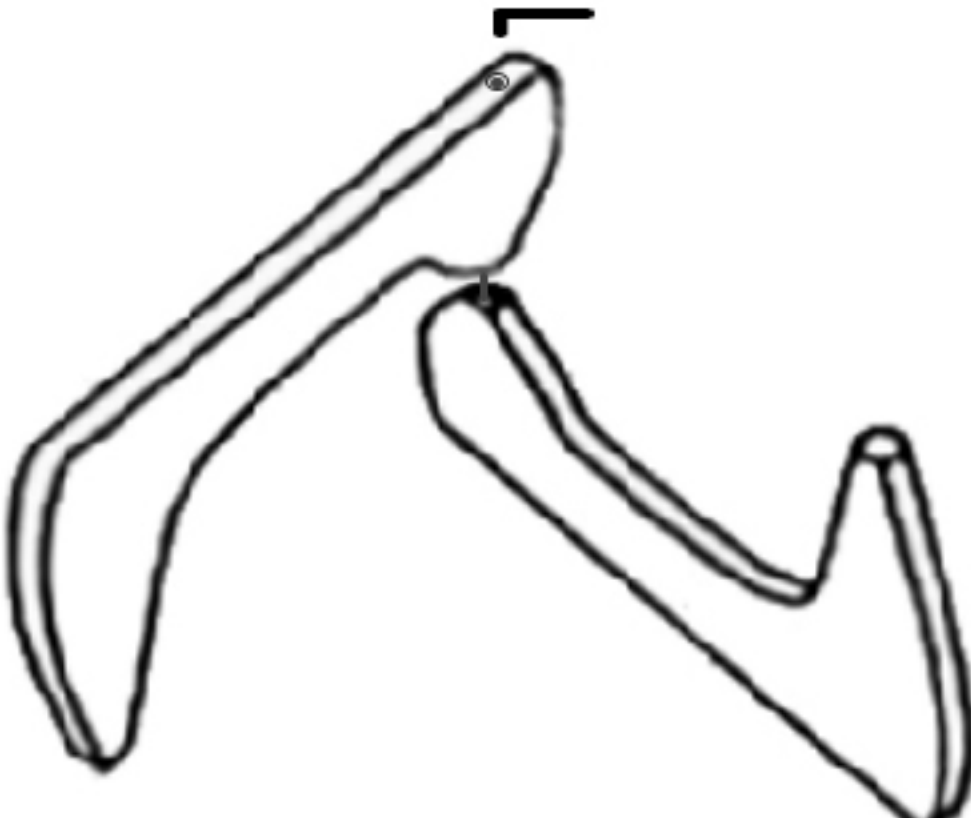

1

Please be careful when removing all the accessories from the package.

2

As shown in the figure, align the wooden legs with the holes and insert them.

3

Use a wrench to slowly tighten the screw.

4

Turn the wooden legs over and set them aside.
Make sure the screw holes are facing down

5

Adjust the angle of the coffee table's wooden legs to about 90 degrees,
then lift the glass and place it on top.

CAUTION

INCORRECT
PLACEMENT OF GLASS
CAN LEAD TO THE RISK
OF THE COUNTERTOP TIPPING OVER
AND TILTING
