Antique Brass, Smoke Seedy Glass

Seedy slump glass panels in a smoke luster finish are fastened to an antique brass-plated iron frame, creating a drum-shaped shade. This glimmering style is supersized on a new, impactful scale. It is made to illuminate larger spaces, as the soft sheen from the light further enhances the moody quality and spotlights its radial composition. The chattered detail and undulating shape of the panels work in tandem, delivering visual texture. Damp-rated, although limited, covered outdoor conditions may affect finish. Finish will vary.
