- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Overview

This Coffee Table has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Table parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

ASSEMBLY INSTRUCTION

Step 1 First, open the side doors of the Table. Then, insert the four Legs (B) into the pre-drilled holes.

Step 2 Secure the legs to the tabletop assembly using 1/4 inch x 65mm bolts (1). Insert the spring spring washer (2) and flat washer (3) onto the bolt (1) before assembly. Use the Allen key (4) to tighten fully (100%).

ASSEMBLY INSTRUCTION

Step 3 After all bolts are securely installed, check the level of the tabletop and the alignment of the doors. Adjust the leveling feet located at the bottom of the table legs by turning them left or right until the tabletop is even and the doors are properly aligned (not too high or low).

HELPFUL TIP:

Adjust the levelers to help further level the counter stool, if need be.
