Tool Bag	1

Before You Start

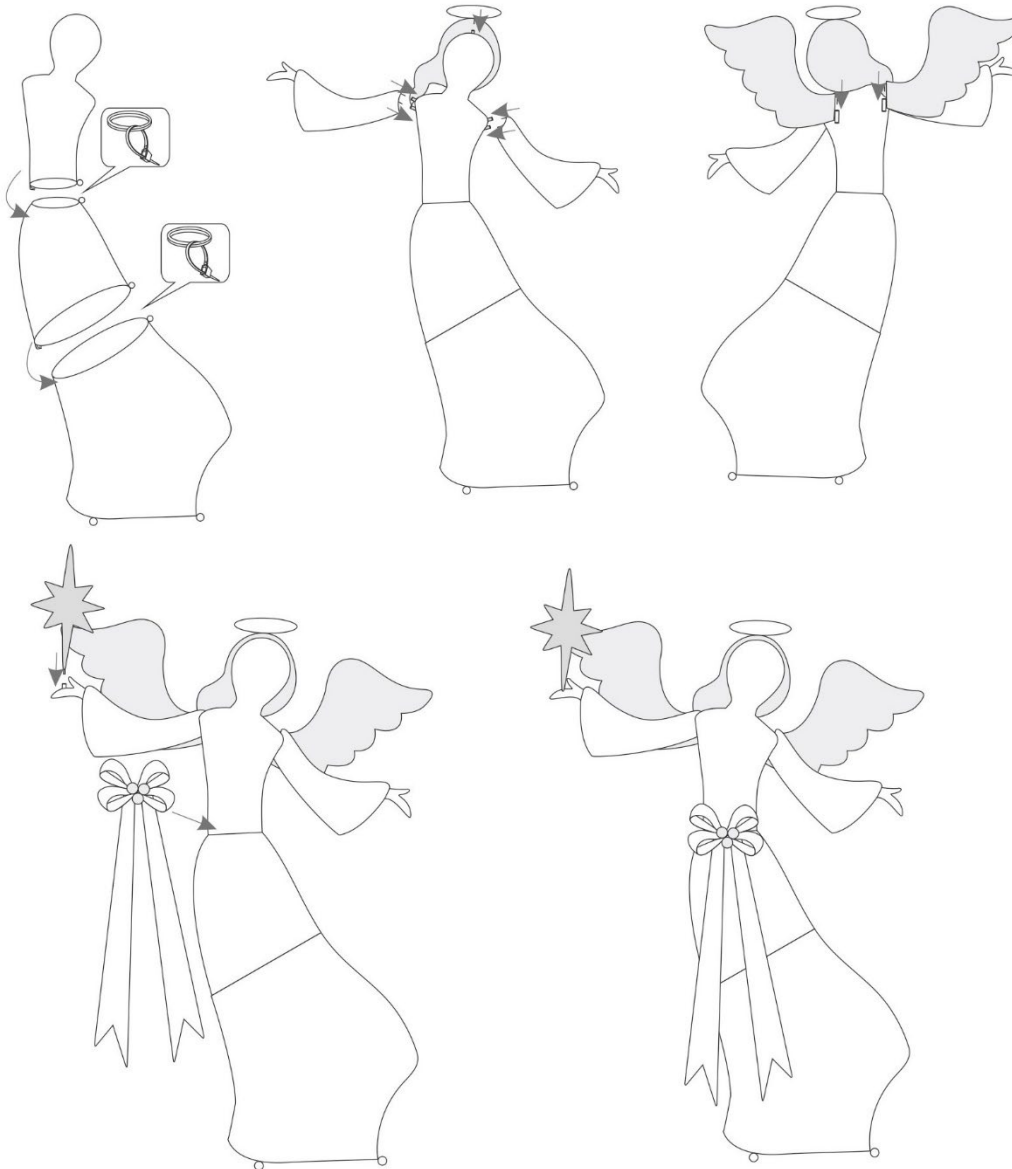

1. Decide on an appropriate location for your product, please read assembly and Instruction procedure carefully.
2. Retain the instructions for future use and save the carton for storing your angel.

Assembly and Instruction Procedure:

Remove all packaging (i.e., cardboard or plastic) before beginning. We suggest unpacking the angel on a large cloth. Some of the glitter may come off during unpacking and assembling.

1. Assemble the body by inserting the hook, use zip tie to lock the metal rings as shown.
2. Insert the hands, hair and halo as shown.
3. Insert the wings to the back.
4. Insert the star to the right hand and insert the bowknot to the body.
5. Now assemble finished, connect the light and light up with supplied transformer.
6. Make sure the final assembly stable enough. For outdoor use, please add the garden stakes.

Product Name:	5.9Ft 3D White Thread Angel Holiday Decoration
SKU #:	WHHD2110

Warnings:

1. Do not place the angel near fireplaces, candles, outdoor heaters, or other similar sources of heat.
2. Do not install near pools, fountains, tubs, sinks, or other areas of standing water that the angel may fall or blow into.
3. This product is for decoration use only. Not to be used by children as a toy. Keep out of reach of small children.

Storage:

1. Remove all decorations.
2. Disassembly each part by reverse steps of the assembly, you can put the parts into the largest bottom.
3. Place the angel back into the carton.
4. Store the product in a cool, dry location protected from sunlight where the temperature does not exceed 35°C (95°F).
