## PUB STOOL ASSEMBLY INSTRUCTIONS

### Step One:

Take LEG A. & LEG B. fasten them together using parts G. & H.

### Step Two:

Using parts F. & I. fasten Small Ring (C.) to the inside of Legs (A&B) as shown above.

### Step Three:

Using parts F. & I. fasten Large Ring (D.) to the Outside of Legs (A&B) as shown above.

### Step Four:

Gently hammer self leveling feet (M.) metal side down into Stool Legs (A. & B.)

### Step Five:

Place the Swivel Plate(E.) on top of the Stool Legs (A. & B.) aligning the holes on the swivel to the matching holes on the legs. Fasten the swivel down using peices N. ,O. & K.

### Step Six:

Place the Stool top(L.) upside down and place the Legs (A&B) swivel side down aligning the holes. Fasten together using bolts(J.).
