

note:

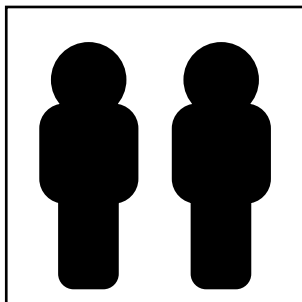

1. Please do not exceed the rated load, otherwise it will cause damage or personal injury to the product.
2. Be sure to follow the instructions in the manual. Improper installation may result in damage to the product or personal injury.
3. Please use our tools and accessories to install, otherwise it will cause damage to the product.
4. Make sure that the support surface can safely support the weight of the support equipment and all accessories.
5. This product contains small parts that can cause serious personal injury if swallowed. Keep out of reach of children.
6. This product is for indoor use only. Outdoors can cause damage to the product.

important:

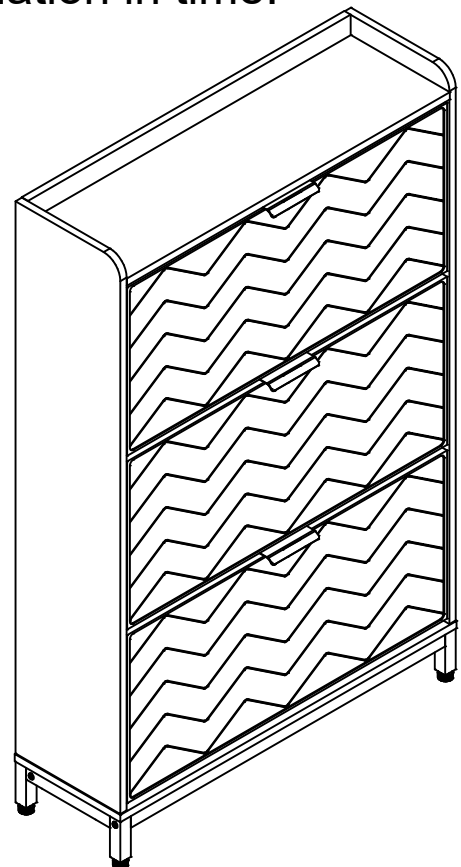

Make sure you have received all the parts based on the list provided before installation. If any parts are missing or damaged, please contact your supplier.

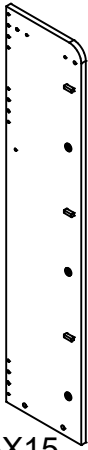

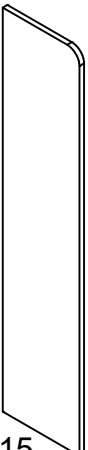

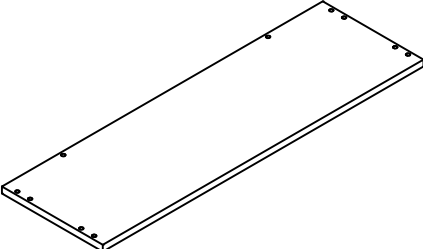

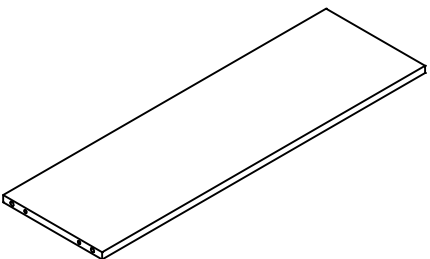

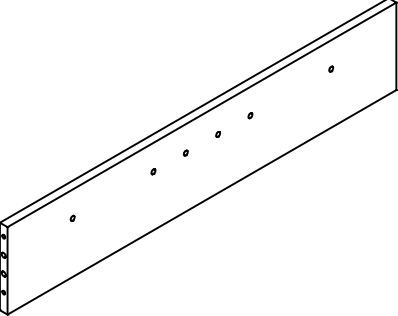

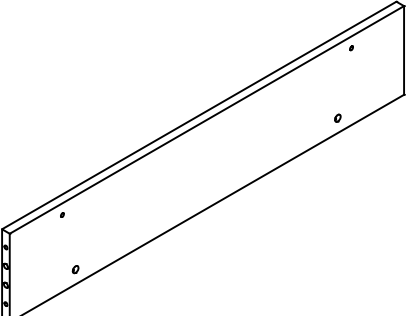

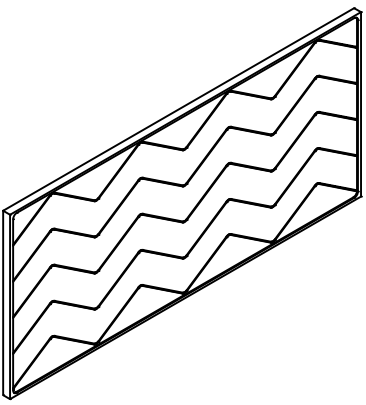

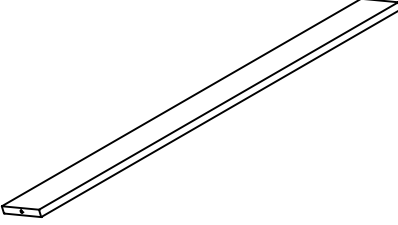

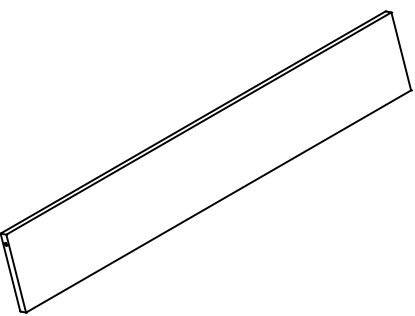

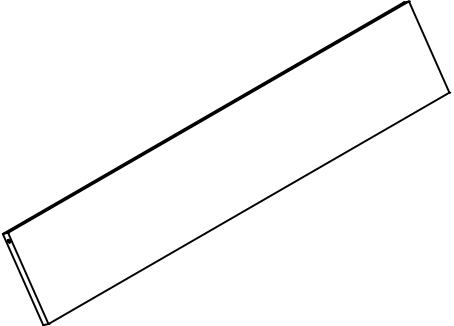

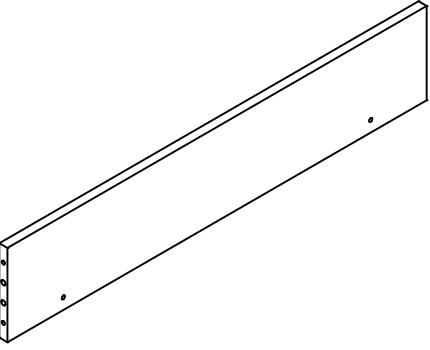

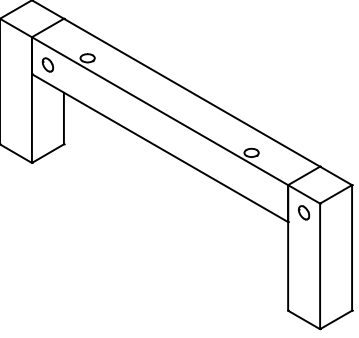

maintain:

Please check the workbench at regular intervals (at least every three months) to see if the workbench is stable and there are any screws that fall off due to long-term use. If there is a safety hazard, please replace the accessories or harden the installation in time.

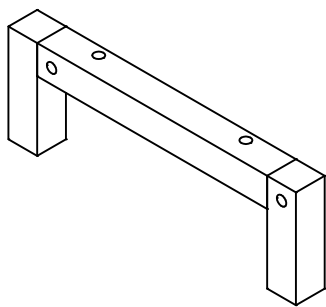

This product installation
requires two-fit installation

Pre-installation instructions

There will be multiple No. 21 accessories in the follow-up. Do not repeat a single description in the installation step. Here, we will explain in a unified way. When installing No. 21 accessories, you need to align the top of No. 23 accessories at the back end of No. 21 and turn No. 21 clockwise, like an arrow. The marked direction. This description is numbered (AA) and then unified as (AA)
