

BEACON, OUTDOOR, BOLLARD

DESCRIPTION

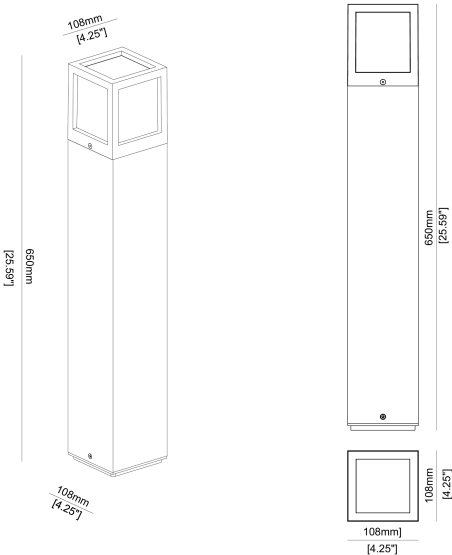

BEACON is a classic outdoor bollard that illuminates pathways and garden spaces with a warm, diffused glow through its clean square lantern form. Its structured silhouette and frosted panel sides cast light evenly in all directions, creating a soft, welcoming presence at ground level. Available in a compact 10" post for intimate garden settings or a stately 25" version that defines longer pathways and entranceways, BEACON is a timeless guide light that brings order and warmth to any outdoor landscape.
