

ASSEMBLY INSTRUCTIONS

ITEM#: HL6003

IMPORTANT SAFETY INSTRUCTIONS:

Before assembly the lamp. Please read the following precautions and instructions thoroughly.

The Lamp is for indoor and dry area use only.
This Lamp uses 110~120 volts electric outlet only .
This Lamp fits in polarized outlet one way only. Polarized plug has one blade wider than the other, it is safety feature to reduce the hazard of electrical chock.

The electrical wire is connected continuously through the poles,
Do not pull wires or over forced during unpacking

The lamp produces very high temperature on light bulb,
always unplug electrical cord and wait for the bulb to cool down
before replacing bulb.

ASSEMBLY INSTRUCTIONS:

NOTE: Carefully unpack the packaging and inspect all parts, place them on a flat and dry surface, avoid hard surfaces that would damage the lamp finish.
