

USER MANUAL

Thank you for choosing our products! To ensure a smooth and safe installation, please carefully read this manual and follow the instructions. For the video installation instructions, please refer to the product page.

- Before installation, please check the product list to make sure you have received all parts.
- During the installation, please operate carefully to avoid injury. Pay special attention to safety when carrying heavy objects or operating sharp tools.
- Please follow the steps in order. Do not skip any steps.
- If you encounter any problems during the installation process, please stop the operation immediately and contact our customer service team for help.
- Periodically check to ensure that all connectors (bolts, screws, etc.) are tight.
