### Tools:

#### Required:

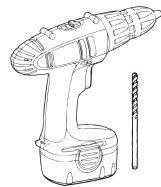

\*Phillips Screwdriver

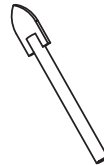

\*Pencil

\*Drill with 1/4" bit

\*1/4" Tile Drill Bit  
(if mounting to tile)

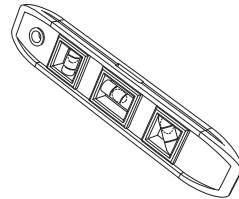

### Helpful:

\*Tape Measure

\*Level

### Important Notes:

Be sure to read instructions thoroughly before beginning installation. Do not overtighten any connections or damage may occur.

Instruction images shown are for reference only and apply to all models numbers shown.

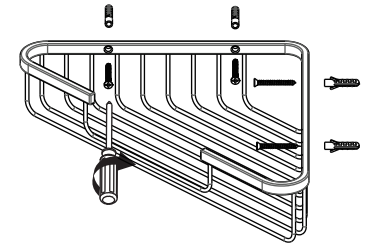

### Safety Tips:

This item is **NOT** designed for use as a grab bar. Do not mount in locations where product is likely to be used as a grab bar.

### Maintenance:

Clean with a soft, damp cloth only. Do not use scrub pads, detergents or cleansers as they may harm the protective finish of your bath accessories.

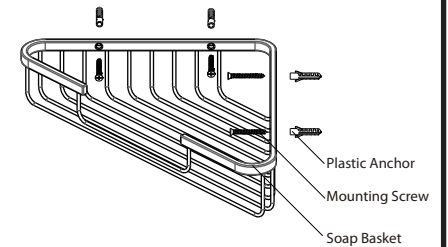

- 3 Push the plastic anchors flush into wall. Fasten the product to the wall with the provided mounting screws. When mounting the product to a wood wall, fasten the product to the wall using the wood screws. There will be no need for drilling or plastic anchors.

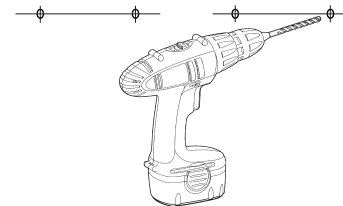

- 1 Place the product in the desired mounting location, using a level to position it accordingly, and use a pencil to lightly mark the four holes of the product.

### Parts List

- 2 Drill 1/4 in. holes in the previously marked locations.
