Get Ready: Think Ahead!

Prep Work: Before you dive into setting up your new metal gazebo, make sure to check out your local building codes. These codes might have specific guidelines on footings, placement, and other key details. Don't skip this step!

Understand the Guide: We've put together detailed instructions for you. Take some time to go through them. They're packed with crucial info and handy tips that'll make your installation smoother and even more satisfying.

Tools & Supplies: You're going to need some basic tools and materials. The anchoring method and foundation type you choose will determine what exactly you'll need. So, make a comprehensive list based on your plan to stay organized.

Before You Start Assembling

Instruction Manual: This manual's got everything you need for setting up your gazebo. Go through all the instructions before starting. As you assemble, following the steps in order is key to getting it right.

Check Your Parts: Make sure you've got all the necessary parts and the right quantities as listed. They should all be in your package, neatly packed within the carton. We've thrown in some extra fasteners too, just to make things easier for you.

Exploded View Diagram: This diagram shows all the parts (except screws and bolts). Look over everything before you start. Getting familiar with the hardware and fasteners now will save you time and hassle during installation.
