## Pinecone Decor Collection

Spruce up your holiday decor with artificial decor from Fraser Hill Farm. Whether you deck the halls indoors or outdoors, invest in a quality piece that will last year after year. This collection features festive pinecones and lifelike foliage that resemble natural evergreen branches. It's pre-strung with battery-operated LED string lights that add a sparkle and holiday charm to the overall display. A discrete battery box is hidden within the branches and provides cordless light operation with the freedom to hang wherever you like. This collection is known for its realistic branches, needles, and woodland charm.

Hang these pieces in your home and greet each guest with holiday cheer that will last from one season to the next.
