Executive Desk

I was able to organize some of gaming equipment with the Executive Desk! I always tell his rainbow equipment is cramping my neutral vibe

- L

I am so very pleased with this coffee table. It looks great in our home and I love the nice walnut style. It was so easy to assemble and it's such good quality. The doors on both sides slide which the little kid in me was super entertained by. Highly recommend this piece!

Coffee Table

Corner TV Stand

Parts were labeled properly and the instructions were fairly clear. It took me about 2 hours to assemble on my own, which was a bit longer than I expected, but nothing about the assembly was particularly hard.

The colour of the oak laminate was in line with the pictures and the sizing was as described. All in all, it was value for money and it uplifted our living room with its waveform panel design and gave it the mid century modern touch I wanted.

Before you start...

Ensure you have received all cartons and familiarize yourself with the workload. Make sure there are enough helping hands to assist you, and that you have allocated the time required to assemble your new product.

Make sure you have cleared enough space in your home for the assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

Read instructions carefully and check no parts are missing.

Lay out all hardware on a soft surface so you can easily identify them.

Carefully identify all components in order to differentiate which pieces are left and right.

Install your new product carefully following the instructions. Don't skip ahead!

DO NOT over tighten screws or use a drill. It will damage the product.

60 mins

Step 1

Ensure your floor is properly protected, then take out board No.1, No.2, No.4 and No.12. We recommend using cardboard or foam to lift up the boards so as to avoid scratches due to assembly actions.

Screw cambolt A to board No. 1 and No.2 (don't over screw).

Plug in dowel D into side holes of board No.1, No.2, No.4 and No.12.

Step 2

Take out 2 pieces of board No.3. Screw cambolt A into the indicated holes and tighten them (don't over screw).

Take out 2 pieces of board No.10. Plug in dowel E to the indicated holes.

Plug in hole cover S to the indicated holes on board No.10. Please ensure that the board surface is correct. The correct surface does not have holes on it. Please check step 4 to differentiate the front and back of board No.10.

Step 3

You may require an extra pair of hands to complete this step.

Install board No.4 and No.12 to the board No.1 by engaging the previously installed cambolt and dowel. Insert camlock B and tighten it with the Allen key provided or a screw driver. Plug in screw cap R to cover the camlock.

Take note carefully of the correct positioning of board No.4, No.12 and camlock facing direction.

Step 4

Install 2 pieces of board No.10 to the previous construction by engaging the cambolt and dowel.

Insert camlock C and tighten it to fix board No.10. Please ensure the correct positioning of board No.10 as illustrated and ensure camlock C is facing outside.

Step 5

Install board No.2 on top of previous construction by engaging the dowel.

Place screw G to the indicated position and fix board No.2 to board No.4 and No.12.

Insert camlock C on board No.10 and tighten to full fix the board No.2.

Step 6

Install 2 pieces of board No.3 to the sides of previous construction by engaging the dowel and cambolt previously installed.

Insert camlock B to indicated positions and tighten it with the Allen key provided or a screw driver.

Step 7

Screw cambolt A to the board No.2 at the indicated locations.

Do not overtighten.

Step 8

Leg 8 and 9 are packed and connected together. Detach leg 8 and 9 by pulling the leg lightly, rotate it slightly if necessary.

Prepare 2 pieces of leg No.8 and 2 pieces of leg No.9. Plug in dowel D to the side of the legs. Peel floor protector Q and stick to the end of the legs.

Prepare 2 pieces of leg frame No.7. Install bracket K with screw L. Please follow the correct bracket position as indicated in the illustration.

Step 9

Take out 2 pieces of leg frame No.6.

Place 2 pieces of leg frame No.7 and connect with No.6 as indicated in the illustration.

Step 10

Install leg No.8 and No.9 by engaging the dowel.

Please take note of the correct position of each leg according to the illustration.

Step 11

You may require an extra pair of hands to complete this step.

Flip the leg frame carefully and let it stand on the floor. Plug in dowel D to the positions indicated in illustration.

Step 12

You may require an extra pair of hands to complete this step.

Flip the leg frame around and gently place it on top of the tv stand body previously assembled. Engage the cambolt and dowel previously installed, insert camlock B to indicated locations and then tighten them.

Please don't fully tighten the camlock until all cambolts are properly engaged.

Tighten the legs with screw J as illustrated.

Step 13

Install the anti-deflection bar I using screw H and tighten the screw to ensure it's in place.

Step 14

You may require an extra pair of hands to complete this step. Flip the tv stand carefully and let it stand on its legs. Plug in shelf pin M to the indicated locations. Take out 3 pieces of shelf board No.5.

Identify the front of the shelf board by measuring the distance between the edge and the groove. The front edge to groove measures 0.8" (22.5mm). Place the shelves gentle on top of the shelf pin with front edge facing outside.

Step 15

Please check the illustration and identify the correct position of pin sliding. Pin sliding top O has a round shape pin, while pin sliding bottom P has a stripe shape pin.

Take out 2 pieces of sliding door panel No.11. Insert the pin and ensure pin sliding bottom P's stripe is aligned and parallel with the panel.

Step 16

Insert the door panel's top sliding pin to the groove underneath the top table. While holding its position, insert the bottom sliding pin to the groove at the bottom board. When all pins are in the right position completely, release the door.

Peel off sticker N and stick 1 piece to each side of the door panel, at the end of the middle slat.

Finished!

Congratulations! We're almost there! Please perform following checks to ensure assembly is properly done.

- Ensure there is no loose camlock or screw.
- Ensure the sliding pin are properly engaged to the groove. Slide the door multiple times to ensure smooth sliding.
- Ensure all legs are fully tightened and not shaky. Ensure floor protectors Q are attached to the leg ends.

Move your product carefully, with 2 people lifting it to the preferred location. Clean the product with a dry cloth. You are all set!

Enjoy your fresh and updated living space thanks to the addition of your new product!

Care

Instructions

Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity.

Few quick tips before using this product:

1. Recommended weight limit for the tv stand top is 50lbs and 10lbs for each of the shelf compartment.
2. Avoid uneven weight distribution for long time as it may cause damage to the product shape.
3. Sliding door might not slide smoothly when tv stand is overloaded by weight.
4. Check and tighten the camlock and screw periodically as it may loose over the time.

How to take care of it?

1. Avoid direct sunlight or use curtains or blinds to limit the sun exposure to the product.
2. Clean the product regularly with a dry, soft cloth.
3. Avoid using abrasive or liquid cleanser.
4. We recommend always attaching the provided floor protector to the leg ends to protect your floor.
5. Avoid placing hot objects onto the table top surface.
6. Spillage may damage the surface. Clean immediately with a dry cloth.
7. We recommend using placemats or coasters underneath glasses, cups, bowls or plates to prevent scratches to the table surface.

Follow the care instructions and look after your furniture, in return, your furniture will look after you.

We hope to see you soon!

Warranty & Return

1 YEAR LIMITED WARRANTY STATEMENT FOR MANUFACTURING DEFECTS

Please read this limited warranty carefully. To maintain your warranty, you will need to comply with the conditions stated here. This warranty is for manufacturing defects only and does not cover damages as a result of misuse.

1. Please be sure to register your product to receive up to date warranty and product information.
2. Your new product comes with 1-year warranty against manufacturing defects. The warranty starts on the date of purchase. No warranty will be honoured without an original sales receipt. The warranty and financial responsibility of the manufacturer only applies to the products itself.
3. Manufacturing defects include circumstances where the product has broken under normal use and no longer provides proper support. In the event you encounter a manufacturing defect, please stop using this product immediately and contact customer service.
4. This warranty applies only when the product has been properly used by consumers who purchased the product from authorized channels as a new product. Proper use means using the product on a level surface where all legs touch the floor with an equal distribution of weight. Proper use also means that the product was not abused by the consumer, as defined by the manufacturer. This warranty does not constitute agreement to replace other parts.
5. If the product fails due to manufacturing defects, the manufacturer will repair or replace at its discretion and reserves the right to substitute comparable materials or models and does not guarantee that the replacement part will match existing pieces.
6. In the event the product needs to be inspected by the manufacturer to determine a warranty claim, the transportation cost or removal cost is borne by the consumer.

30-DAY RETURN POLICY

We believe you will be thrilled with your purchase. That's because we go out of our way to ensure that products are designed and built to be just what you need. We understand, however, that sometimes a product may not be what you expected it to be. In that event, we invite you to review the following terms related to returning a product.

The Return

Returns are to be made within 30 days of the date you received the product. To initiate return request, please message us or contact our customer service team or with your reason of returning so we can facilitate the request and issue return authorization to you. Please note the policy is subject to the conditions below:

1. Only undamaged items in original packaging will be accepted under the Returns Policy. Any items that are not returned to us in the original packaging and/or in original condition will incur an additional handling fee (deducted from your refund). It is your responsibility to package the item sufficiently to avoid damage in transit back to us. We encourage customers to photograph the items scheduled for return and the condition of the packaging before handing over to the delivery company.
2. We will not refund a product that you have bought and received where, in our reasonable opinion, the product has: become of unacceptable quality due to fair wear and tear; misuse; using it in an abnormal way; or failure to take reasonable care.
3. We will not be able to offer standard return policy after 30-day timeframe has passed. However, our customer service team is always an email away if you require further assistance with your products.

The Refund

We will assist you to complete the return process. We will perform standard inspection upon your return is received and will send you a message to acknowledge the return if item is presenting in original condition with original packaging.

You will be refunded the full amount less return shipping cost. Please note that while shipping charges on original deliveries are subsidized, on returns the full shipping amount paid by to the delivery partner will be deducted from your refund. **All refunds will take 2 business days to process upon return acknowledgement from us, however actual fund reversal date will depend on your card company's own processing schedule.**

Kindly note, in the event of returning a defective or damaged item, **we will however absorb the shipping charges and ensure your return/exchange experience is hassle free.**

The Exchange

We put quality as one of our top priorities – we work with experienced manufacturers and have every piece of product going through strict quality control process. We want to make sure your product reaches you safe and sound, however we are happy to do an exchange in case you receive a defective or damaged product due to any unforeseen hiccups throughout the journey. Please message us or email us with proof of defect or damage, our customer service will evaluate the exchange request, and assist you throughout the process accordingly.
