## Important:

Option (1)

Option (2)

- 1. lt's recommended to have two people for the installation, this will significantly improve your efficiency.
- 2. Before you begin: lay out all of the parts on a non-abrasive surface to identify the number tags in the manual and count before assembly. Please use the screws correctly to avoid popping the desk panel.
- 3. For a smooth assembly process, we suggest you keep a lite tightness for all the screws during assembly. After the whole desk is assembled, firmlytighten all the screws.
