

## Cade Stool

|            |                                                                                                                                                            |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ITEM#      | : 145368                                                                                                                                                   |
| DIMENSIONS | : 19 1/2"H x 16"DIA                                                                                                                                        |
| UNIT       | : EA                                                                                                                                                       |
| MATERIAL   | : iron/ fabric                                                                                                                                             |
| FINISH     | : Matte Black/ Terrain                                                                                                                                     |
| ITEM NOTES | : Thanks to the warmth of inviting terrain upholstery and a matte black iron frame with a handtooled vibe, the Cade Stool is anything but an afterthought. |
